- **Price in Indian Rupees at F.O.R SVNIT, Surat.**

SECTION III: TENDER FORM

FROM: _____

To,
The Director,
SVNIT, Surat

Sub.: **Tender for Journal Bearing Test Rig with Data Acquisition System (CIRCULAR & NON-CIRCULAR PROFILES) with Specifications as per Technical Specification Sheet at MED, SVNIT, Surat.**

Sir,

With reference to above, we submit the following particulars of our Firm/Agency.

1. Name of the firm & address with direct :
phone numbers

2. Name of the proprietor/chief of the firm :
3. Registration number & date :
4. Date of Establishment :
5. Present strength of the firm :
 - Any Certification Standards :
 - No. of Major Clients with execution of :
work orders involving similar scope and
magnitude of work
 - No. of sites handled :
6. Annual turnover in Rs. Lacs :
(only in providing similar services)

AUTHORISED SIGNATURE WITH STAMP

SECTION IV: PRE-QUALIFICATION REQUIREMENTS OF THE BIDDER

Following are the specific pre-qualification requirements which should be satisfied by the bidder (henceforth referred to as the “bidder”) for being primarily considered for bidding for Journal Bearing Test Rig with Data Acquisition System (CIRCULAR & NON-CIRCULAR PROFILES) with Specifications as per Technical Specification Sheet at MED, SVNIT, Surat at the terms & conditions, mentioned in the appropriate section in this document:

Sr. No.	Details	Documentary evidence required to be attached	Compliance Yes/No	Corresponding document as proof in our prequalification requirements document set on page no.
1	The bidder must be OEM or Authorized dealer/ Authorized agent	For Authorized dealer/ authorized agent, copy of authentic authorization from OEM should be attached with this tender reference		
2	Users list and the certificates of satisfactory operation of the equipment/instrument supplied by Bidder to at least three well known Organizations preferably within Gujarat state during the last three years	Copy of Purchase Order along with satisfactory completion certificate		
3	The Bidder should have ISO 9001-2000/ ISO 9002/ ISO 14001 for OEM Manufacturer for offered items.	Copy of Certificate		
4	The Bidder shall not be under a Declaration of Ineligibility for corrupt or fraudulent practices or blacklisted with any of the Central / State Government agencies / Public Sector	Declaration in this regard by the authorized signatory of the Bidder		
5	Technical specification as per requirement	Filled Technical requirement sheet attached at section: V		

If complying all of the above conditions and appearing to be qualifying to bid, the prospective bidder shall provide appropriate documents stating compliance of the above, put them in a separate envelope along with a compliance statement stating compliance to all the above requirements, superscript it with “Prequalification Requirements of the Bidder” and enclose it in the main envelope along with the commercial bid (which should be supplied in other separate envelope).

Place:

Signature of the Bidder:

Date:

Name & Address of the Bidder with office stamp

SECTION V: TECHNICAL REQUIREMENTS SHEET

Technical Specification Sheet for Journal Bearing Test Rig with Data Acquisition System (Circular & Non-Circular Profiles)

(To measure the temperature and pressure of circulating oil film in circular and non-circular journal bearing)

Description	Working range
Pneumatic Loading	0.5 kN to 5.0 kN
Variable Rotational Speed	6000 rpm
Shaft Diameter	100 mm fixed (provision for 75 to 150 mm shaft dia.) L/D ratio of 0.5 to 2.

- 1.) Oil film temperature : Ambient to 200° C
- 2.) Resolution of all measurement should be $\pm 1\%$.
- 3.) Test Rig should be equipped with oil Re-circulation system.
- 4.) The machine should be equipped with Digital oil flow meter to measure the oil in circulation.
- 5.) Oil flow meter : 0.2 to 2 L / minute.
- 6.) It should be capable of measuring oil film temperature (ambient to 200 °C) and pressure (ambient to 50 bar) in central plane of the bearing [0⁰-360⁰] using suitable sensors at 12 different places.
- 7.) The mechanism for changing the test bearing should be simple and easy to operate.
- 8.) Provision for measuring frictional torque.
- 9.) Provision for estimating fluid film thickness using non-contact displacement sensor.
- 10.) The mechanism for changing the test bearing should be simple and easy to operate.
- 11.) Provision for measuring dynamic characteristics of proposed bearings.
- 12.) Software to set or measure or both (as applicable) online oil film temperatures, pressures, frictional torque and estimated film thickness as well as load and speed during operation should have following points:
 - Measurements with manually defined parameters or by defining a 'Standard Operating Procedure' Compatible with latest Windows based operating system.

- Trend plots to allow plotting any one measured parameter from selected records versus the second parameter.
 - Facility for overlaying several plots with facility to export plots.
 - Results should be exported to word processing packages or spreadsheets using a template or cut and paste.
 - Access to all measured data including correlation functions, fitted data points, residuals and all experimental parameters should be possible. The same might be stored for subsequent examination.
- 13.) For data acquisition, the system should be offered with latest version of branded windows operating system based PC compatible with above software along with laser printer and UPS for computer.
- 14.) The Test Rig should be provided with at least **FOUR** samples each of circular and non-circular journal bearing of L/D ratio of 1 of brass and the demonstration on the same should be given at the time of installation.
- 15.) Installation/Demonstration/Training to be provided by the supplier at the institute free of cost.
- 16.) Warranty period of the test rig should be at least 1 year and another 2 years total 4-nos. service visit on free of cost basis in which 2 visits in 2nd year and 2 visits in 3rd year after warranty period.
- 17.) The test rig should be supplied within 26 weeks after placing the purchase order.

Note:

- **Please attach filled sheet with a prequalification requirements documents within the sealed Envelope super-scribed as “Prequalification Requirements of the Bidder”**

SECTION VI: GENERAL TERMS & CONDITIONS

GENERAL TERMS & CONDITIONS

1. A complete set of bidding documents must be downloaded from the institute web-site <http://www.svnit.ac.in>. Non-refundable tender fee as specified in the bid document by way of demand draft have to be remitted with the bid in favour of **Director, SVNIT-MHRD Fund, payable at Surat** with tender document. Without the tender fees being remitted, the tender will not be considered.
2. Bids will be opened in the presence of Bidders' representatives who may choose to attend on the specified date and time.
3. In the event of the date specified for the bid receipt and opening, being declared as a holiday for SVNIT, the due date for submission of bids and opening of bids will be the following working day at the appointed times.
4. All bids must be accompanied by a **bid security (Earnest Money Deposit - EMD)** as specified in the bid document by way of demand draft, have to be remitted with the bid in favour of **Director, SVNIT - MHRD Fund, payable at Surat** with tender documents.
5. EMD shall not bear any interest and no claim shall be entertained against the institute in respect of the same. EMD will be refunded on receipt of written request from the bidder by A/C Payee cheque only to the Bidder who does not qualify or receive the work order.
6. Tenders not accompanied by earnest money will not be considered and will be summarily rejected. As the institute is managed by an autonomous body and hence registration with the **State Government Store Purchase Department and Small Scale Industry shall not be the reason for exemption from EMD.**
7. The tender documents with earnest money deposited previously for any other tender will not be considered and in such case tender will be rejected.
8. The tenders received after due date will be rejected.
9. **In case of Two Bid Tender the envelope containing the commercial/Price bid shall be opened only after the appropriate satisfaction and verification of the Technical Bid, by the SVNIT tender committee.**
10. The bidder shall explicitly express the compliance to all the terms and conditions with the signature, along with official stamp on each page of the tender document.
11. The Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding documents. Failure to furnish all information required by the bidding documents

or submission of a bid not substantially responsive to the bidding documents in every respect will be at the Bidder's risk and may result in rejection of its bid.

12. In case of the authorized dealers quoting on behalf of manufacturers, a copy of certificate stating that the equipment being quoted by the bidder is on behalf of the concerned manufacturer and the manufacturer undertakes the responsibility to provide the after sales maintenance of the equipment must be enclosed without which bid will be rejected.
13. Consortium in any manner is not allowed in this Tender participation.
14. The bidder should clearly mention the after sales service facility/capability and provide the same during guarantee/warranty period.
15. The bidder shall arrange for repair/replace of the defective/worn out components of the equipment at this Institute premises during the guarantee period at purchaser's first instructions within stipulated Time. This will be carried out at the cost of prospective Supplier and no charges whatsoever will be paid including Transportation, Courier Charges or T.A. and D.A. of the Service Engineer for the same.
16. Supplier is not able to rectify the defect or make the alternate arrangement within stipulated time limit. Institute can get it rectified and the amount so spent will be deducted from security deposit plus 10 % of the expense made.
17. The rates shall be quoted separately for each item, stating the specific model & part-code no etc, including the standard items to be supplied with the unit. The detailed specifications, physical dimensions, guarantee period, after sale services, etc should be clearly stated.
18. The rate for individual equipment should be quoted in Indian rupees for all Indigenous goods. In case of imported equipments/instrument the institute is exempted from the payment of Excise and Customs duty only against the DSIR certification No. **TU/VRG-CDE (403)/2016** dated 21-02-2017 vide Government Notification No. 51/96. In case of foreign instruments, prospective Supplier should handle the custom clearance and transportation up to the destination i.e. SVNIT Surat, bearing all the cost for the same.
19. SVNIT being an Educational Technical Institute, the concession applicable in rates/Taxes under state/central govt. notification should be considered while quoting.
20. The institute CANNOT issue 'C' or 'D' forms. However, a certificate regarding the exclusive use of equipment/Instrument/services to be procured, for the purpose of teaching /research, can be issued if any concession in this regard be made available to the purchaser.
21. The bid shall be finalized on the basis of the **Net Amount in rupees** (including cost of the Installation, Packing, Forwarding, Transportation, ad valorem duty, Trainings, **all other Taxes, etc.**) F.O.R. on SVNIT, Surat.

22. The bidder must deposit a **Security Deposit** at a rate of **10%** of work order at the time of accepting the work order within 15 days of receipt of work order otherwise penalty of 2% of the work order will be charged for every week delay and delay of maximum 15 days will be allowed else order will be treated as cancelled without any notice and vender will be **blacklisted. The contract will commence only after Security Deposit and penalty if applicable is deposited.**
23. The Security Deposit shall be in the form of Bank guarantee and will remain **valid for Three years of warranty period plus one month.** Failure on the part of the prospective Supplier to provide the services as per the terms and conditions in this document shall constitute a breach of the terms and conditions of the contract and will entail forfeiture of the security deposit solely to the discretion of the Director, SVNIT.
24. Security deposit shall be released only after the satisfactory completion of work, due if any and faithful performance of the work and after receipt of application from bidder for the same. No interest will be paid on security deposit, in case of any default on the part of the bidder, the security deposit will be forfeited and the decision of SVNIT authorities in this regard will be treated as final and abiding to the contractor.
25. Failure of the successful bidder to comply with the above requirement shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security (EMD), in which event SVNIT may make the award to the next lowest evaluated bidder or call for new bids at the discretion of Director, SVNIT.
26. The prospective Supplier should clearly state the delivery period and time period required for installation and commissioning of the equipment/services, from the date of receipt of firm order. In case, if prospective Supplier anticipates delivery of any or all items being delayed due to the reasons beyond his control, the prospective Supplier shall apply for suitable extension, starting the reason for the same and state his firm date of delivery. The Director, if feels suitable may extend the delivery date.
27. In case of delay of delivery of the unit beyond the stipulated / stated period, **a penalty of 1% (One percent) of total value of the ordered equipment** will be levied for each week of delay of part thereof.
28. The bidder may offer the Tender on their letter heads giving full specifications and references to the serial number of the item and schedule. **Bid must be written in ink, or typewritten, and correction, if any, should be attested. Pencilled quotations will not be accepted.**
29. Individuals signing the offers or documents connected with the contract must specifically state whether (s)he (they) is(are):
- a. Signing as sole proprietor

- b. Whether signing for the firm, and
 - c. In the case of companies or firms registered under the India partnership Act, the capacity in which (s) he (they) is (are) signing i.e. Secretary , manager , partner etc. or their attorney by production of document empowering him to do so.
30. Tender forms and schedules are not transferable.
31. Acceptance to abide by the conditions stipulated by the Director, should be duly signed along with the offer. The absence of the acceptance of the conditions may result in the rejection of the offer.
32. The acceptance or rejection of the tender is left entirely to the discretion of the Director. The Director does not bind himself to accept the lowest or any tender and Director, reserves the right to split the tenders and place orders for the equipment covered by the lists on one or more tenders.
33. The Institute does not make payment in an advance against delivery/documents through Bank and hence, the prospective Supplier should specifically note that no advance payment will be made.
34. The Prospective Supplier warrants that the Goods supplied under this Contract are new, unused, of the **most recent or current models** and they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Prospective Supplier further warrants that all Goods supplied under this Contract shall have no defect arising from design, materials or workmanship (except when the design and/or material is required by the SVNIT's Specifications) or from any act or omission of the Prospective Supplier, that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.
35. The Prospective supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to final destination as indicated in the Contract (In case of material damage, supplier have to bare all expenses/responsibility before material reaches to the final destination). The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.
36. The tender should reach the SVNIT office on or before the last date and time specified earlier. Tenders received thereafter will not be considered, in any case.
37. The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be provided for in the Contract including

additional requirements, if any, specified and in any subsequent instructions ordered by the SVNIT.

38. The Goods supplied under the Contract shall be fully insured by the bidder in Indian Rupees against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery.
39. The Prospective Supplier's request(s) for payment shall be made to SVNIT in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and the Services performed, and by documents, submitted. Also along with these documents, the **prospective Supplier shall have to obtain a satisfactory installation certificate from the Concern Department of SVNIT – only after which the bill may be processed.**
40. Payment shall be made in Indian Rupees only.
41. Deviation from any requirements, specification, terms and condition mentioned in the tender document will not be entertained and tender will be rejected.
- 42. The Director reserves the right to reject any or all the tenders without assigning any reasons thereof.**
- 43. The bid from the vendor who has received the work order for providing such service to SVNIT and was unable to provide the service, will be rejected.**
- 44. The bid from the bidder who was found in fraud activity with SVNIT or on the name of SVNIT will not be allowed for bidding. The bid from such bidder will not be accepted and will be straight away rejected. Also the bid submitted in consortium with such bidder will be rejected and if such information is found later then the work order issued will be terminated immediately without any notice.**
- 45. All prospective bidders should keep looking at the institute website for information concerning the changes/amendments on the website.** No claim of any nature on any ground on inadequate information or knowledge or misunderstanding or otherwise in such respects will be admissible, later on.
46. Arithmetical errors will be rectified on the following basis: If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between words and figures, the amount in words will prevail. If the prospective Supplier does not accept the correction of errors, its bid will be rejected and its bid security (EMD) may be forfeited.
- 47. No Bidder shall contact the SVNIT authorities on any matter relating to its bid, from the time of the bid opening to the time the Contract is awarded. If the bidder wishes to bring additional information to the notice of the SVNIT, should be done in writing.**

48. Any effort by a Bidder to influence the SVNIT and its decisions on bid evaluation, bid comparison or contract award may result in rejection of the Bidder's bid.
49. Bidders shall not be under a declaration of ineligibility for any corrupt and fraudulent practices prosecuted by the court of law.
50. The tender, as quoted once shall be considered final. No change, alterations and modifications shall be permitted at a later stage. Incomplete tenders will be rejected without assigning any reason.
51. It is compulsory to attach all the mentioned and required documents at time of submission of tender. No additional attachment is permitted later on.
52. All documents along with tender form must be numbered.(1...n) and corresponding page number must be entered in the pre-qualify sheet, no further clarification will be entertained.
53. The bid from the vendor or its sister concern or group of company who has been black listed at any Government organization / Semi-Government Organization / public sector etc. will be rejected.
54. The bid for OEM who has been black listed at any Government organization / Semi-Government Organization / public sector etc. will be rejected.
55. Defective equipment should be replaced by next business day.
- 56. The minimum validity period for the offer should be for 120 days.**
57. Successful bidder should raise the bill of the items actually installed, quantity shown in the tender document are for mere guideline and show approximate quantity.
58. In case of any dispute, the matter will be subjected to SURAT jurisdiction only.
59. The specification as mentioned must be listed explicitly in tabular form along with information of compliance/non-compliance/better feature than the standard specification required. The quoted specification must match the required standard specification. Better and higher specification may be given preference if found suitable.
60. The supplier should provide pre-dispatch inspection of working of instruments/ equipment at their works at their cost before dispatch and should incorporate the required changes, if inspector suggests.
- 61. Maximum 02 Bid tenders are permitted i.e. Technical and Financial Bid.**
- 62. In case of 2 Bid tender, Pre-Bid Meeting is MANDATORY (i.e. held on 06 Dec 2018 at 12.00 pm at MED Office MG-1).**

DIRECTOR, SVNIT

SECTION VII: DECLARATION

Tender Reference No.: MED/Annual Plan/CAD/2896/2018-19

I/We hereby declare I/We have read all the terms and conditions of the Tender stated in all the sections in this tender document and as may be modified/mutually agreed upon, are acceptable and binding to me/us.

I/We have also verified that the bidding document contains at least the following

- A sealed Envelope super-scribed as “Prequalification Requirements of the Bidder” containing compliance statement for all the prequalification requirements.
- A sealed envelope to contain the Demand Draft for EMD and the Demand Draft for tender fees.
- A sealed Envelope super-scribed as “Techno-Commercial Statement” to contain at least the following:
 - The Tender document appropriately signed and stamped at all pages
 - General Terms & Conditions of Contract
 - Acceptance to all the Requirements;
 - Summary Sheet in the format laid in this document

I also understand that my bid without these three envelopes, enclosed in the main envelope, super scribed as “**Journal Bearing Test Rig with Data Acquisition System (CIRCULAR & NON-CIRCULAR PROFILES) with Specifications as per Technical Specification Sheet at MED, SVNIT, Surat**” will be treated as an incomplete bid and is liable to be rejected.

office Stamp with all contact details

SECTION VIII: SUMMARY SHEET

Tender Reference No.: MED/Annual Plan/CAD/2896/2018-19

Sr. No.	Description	Qty.	Brand / Make & Model	Total Amount (Rs.)
1.	Journal Bearing Test Rig with Data Acquisition System (CIRCULAR & NON-CIRCULAR PROFILES)			
	Total in Rs.			
	Rebate / Concession in Rs.			
	Net Amount			
Rupees (in Words)				

Note:

- All taxes should be inclusive.
- This summary sheet must be enclosed in Techno-Commercial envelop, otherwise the bid will be rejected.
- Unit prices of the item should be quoted, without which bid will be rejected
- Warranty should be 3 years from the date of successful installation
- Validity of Quotation should be (minimum) 120 days from the date of bid opening.

I understand that any ambiguity in or incompletely filled SUMMARY SHEET will lead to rejection of offer without being cited any reasons.
