PROGRAMME OBJECTIVE

The Department of Computer Engineering, S. V. National Institute of Technology is organizing Self sponsored one week short Term Training Programme (STTP) on " Deep Learning Applications (DLA-2019)" during 18th June – 22nd June, 2019. The workshop aims to give exposure to recent advances in the area of deep learning to the participants.

- Targets motivated scholars at Undergraduate (any year) / master / PhD Level and faculty members
- No pre-requisites required
- Practical Oriented Workshop
- Extensive Hands-on sessions

The course is aimed to cover following aspects with respect to Deep Learning.

- Basics of Machine Learning
- Machine Learning – Support Vector Machine
- Convolution Neural Network
- Auto Encoder and VAE
- Generative Adversial Network
- Recurrent Neural Network
- LSTM

ELIGIBILITY

The programme is open to the faculty members of engineering colleges, Research Scholar, and other allied disciplines. Industry personal working in the same discipline can also attend the Sttp.

SPEAKERS
Resource persons are from reputed NIT's and IIT's.

DIRECTOR/PRINCIPAL with SEAL

ABOUT THE INSTITUTE AND SURAT

The institute, one of the pioneering engineering institutions of the country, was established in 1961 as Sardar Vallabhbhai Regional College of Engineering & Technology and was given a status of National Institute of Technology, in 2002. At present, there are six undergraduate courses, seventeen postgraduate courses and Ph.D. programmes in all disciplines of engineering and applied sciences. It has an excellent placement record with a number of top ranking companies visiting the campus. The whole campus has connectivity of the internet with fiber optic network including faculty quarters and student hostels.

The institute is located at Surat, about 260 kms North of Mumbai and is very well connected by rail and road links to Mumbai as well as Ahmedabad (250 kms)/Vadodara (150 kms). The institute is approximately 10 kms away from Surat Railway Station and 10 kms from the Surat Airport (STV). Surat is the industrial city with historical importance and is well known for Textile, Jari and Diamond industries. The leading industries like RIL, ONGC, Kribhco, L&T, ESSAR, NTPC, and GAIL are established in Surat- Hazira area.

ABOUT THE DEPARTMENT

The department is running UG programme B.Tech. Computer Engineering since 1989 and PG programme M.Tech. Computer Engineering since 2006. Department is also offering Ph.D. programme since 2005. The department has well qualified and dedicated faculty members with the specialization in niche areas like information security, Cloud computing, operating systems, image processing, Data Mining, wireless sensor network, computer vision etc.
