16th - 17th July 2020

CALL FOR PAPERS

Organized by:
Department of Mechanical Engineering,
Sardar Vallabhbhai National Institute of Technology (SVNIT),
Surat - 395007

About the Institution

The institute was initially established as Sardar Vallabhbhai Regional College of Engineering & Technology in 1961 and elevated as a National Institute of Technology in October, 2002. It has been accorded the status of an Institute of National Importance vide NIT Act 2007. SVNIT is one of the pioneering engineering institutions of the country which has nurtured many outstanding engineers in India & abroad. Institute runs seven UG programs, eighteen PG programs, Ph.D. program in all disciplines of engineering and sciences and 5 years integrated M.Sc. programme in Chemistry, Mathematics and Physics. The institute has an excellent placement record with a number of top ranking companies visiting the campus every year.

About the City

Surat is a city located on the western part of India in the state of Gujarat. It is one of the most dynamic city of India with one of the fastest growth rate due to immigration from various part of Gujarat and other states of India. The city has a very vibrant economy. It is hub to the diamond and textile industry. In textiles, Surat contributes 40 per cent of the nation's total manmade fabric production, 28 per cent of the nation's total manmade fiber production. There are many SME Domestic IT Companies present in Surat. MNC IT companies like IBM, HCL have satellite or virtual branches in Surat. Several large scale industries & establishments, such as RIL, L&T, ESSAR, etc. are located in and around Surat.

How to Reach SVNIT, Surat

Surat is well connected to other major cities of the country via regular flights. You can also easily get regular trains to Surat from other major cities of the country.

About the Conference

The TEQIP III sponsored 1st International Conference on **Recent Advancements in Design and Manufacturing** will be held during 16th-17th July 2020, at Sardar Vallabhbhai National Institute of Technology, Surat. The Conference aims to bring together experts from academic, scientific and industrial communities to address new challenges, present their latest research findings, ideas, developments and perspective of the future directions in the field of Mechanical Engineering. ICRADM 2020 invites all the researchers to participate in conference.

TOPICS

Topics of interest under a particular track include but are not limited to the following:

Design Engineering: Computing in Applied Mechanics and Product Design, Dynamics and Control of Structures / Systems, Fracture and Failure Mechanics, Solid Mechanics, Differential/Dynamical systems, Modeling and Simulation Artificial Intelligence: Fuzzy Logic, Neural Network, Genetic Algorithm, Finite Element Analysis, Advanced Numerical Techniques, Advancements in Tribology, Nano-Mechanics and MEMS, Robotics.

Manufacturing/Production Engineering: Casting, Welding, Brazing, Soldering etc. JIT, MRP, Supply Chain Management and Logistics, intelligent Manufacturing System, Rapid Prototyping and Reverse Engineering, Time and Motion Study Quality Control and Reliability, Productivity Improvement, Conventional and Non-Conventional Machining, Ergonomics: Human Factors in Seating Comfort, Coating and Surface Engineering, Advance Materials, Composites, Ceramics, and Polymers Processing.

Avenue for Post Conference Publication

1. All abstracts of the papers will be published in conference proceeding.
2. Selected extended papers will be recommended to SCI/ESCI/ SCOPUS indexed journals. (The further publishing cost have to be bear by the author)

Accommodation

All the outstation participants will be provided accommodation on payment basis in the Guest House/Hostels of the institute as per the availability. No TA and DA will be paid to the participants.
