Note for Students:

1. UG Project Prelim exam will be conducted online using Microsoft Team. All must ensure that there is adequate computing and internet facility at their end.
2. Project groups must name the Report as "**Gxx_Report_Prelim.pdf**" and Presentation file as "**Gxx_Present_Prelim.pptx**" format where "xx" is your 2-digit group number.

3. Each Project Group has to upload soft copy Project Prelim Report (signed by Guide) in .pdf format and presentation in .pptx format by **13th Dec., 2020** on respective MS Team. Failure in this will disqualify project group to appear in Exam.
4. After exam, project groups should incorporate corrections suggested by examiners and then get digital signatures of Examiners on .pdf reports. By **20th Dec., 2020**, each group should upload updated .pdf (report) and .pptx (presentation) on MS team after removing old copy.
