

ABOUT THE INSTITUTE

The institute was initially established as Sardar Vallabhbhai Regional College of Engineering & Technology in year 1961 and was upgraded as a National Institute of Technology on 4th October, 2002. S V National Institute of Technology is one of the pioneering engineering institutions of the country which has contributed many outstanding engineers in India & abroad. Seven UG programmes, eighteen PG programmes and Ph.D. programmes are being offered by the institute. Special attention is being given to interdisciplinary researches.

ABOUT THE DEPARTMENT

The Department of Applied Mechanics came into existence in the year 1961. It offers expertise in the fields of Soil Mechanics & Foundation Engineering and Structural Engineering. The department has 20 highly qualified and dedicated faculty members with the specialization in various areas. The department is involved in various UG & two PG programmes (Soil Mechanics & Foundation Engineering and Structural Engineering) and a research program leading to Ph.D. degree. The department has been a pioneer and leader to carry out testing and challenging consultancy work in the fields of Geotechnical and Structural Engineering.

WHO SHOULD ATTEND

This seminar is open to practicing engineers from government and private organizations, contractors, consultants, academicians, Research Scholars and post-graduate students.

INDIAN GEOTECHNICAL SOCIETY, SURAT CHAPTER
