Walk-in Interview

Candidates meeting the following requirements and desiring to be considered for the following posts on purely contract basis for SERB-DST sponsored research project entitled “**Synthesis and characterization of semiconductor/oxide materials for cost effective perovskite solar cell modules**” are hereby informed to remain present for an interview/test on the date and time given below in Chemical Engineering Department of the Institute at their own cost with an application on plain paper along with their Biodata (*as per the format available on SVNIT website*), true copies of certificates and original certificates. The appointment will be initially for one year but may be considered for extension up to 3 years. Preference will be given to SC/ST/OBC candidates if found suitable as per the MHRD rules. For any further information, please contact Dr. Jignasa V. Gohel (PI) thorough e-mail (svn@ched.svnit.ac.in, jignasa.narsinhbhai@gmail.com) or see www.svnit.ac.in
