

SARDAR VALLABHBHAI NATIONAL INSTITUTE OF TECHNOLOGY, SURAT - 395007

RESEARCH POSITIONS AT INSTITUTE

Applications are invited by eligible candidates meeting with the following requirements and desiring to be considered for the following posts on purely contract basis for a sponsored research project entitled "Design, Development and Demonstration of an Aerodynamically Advanced UAV for Stealth and Heavy Payload Applications" at the institute. The initial appointment will be for 11 months and extendable up to maximum of 18 months. All interested candidates must submit, the application as prescribed in Annexure I to the PI only through email (sac.med.svnit@gmail.com). No certificates are required to be attached with this application in email. The last date of receiving application is 28th Feb, 2018. Also, it is mandatory to bring the true copies of testimonials/certificates and original certificates as well as 2 passport size photographs at the time of interview failing which the candidature will be disqualified. Applications received after last date will not be considered under any case.

Shortlisted candidates will be intimated through email regarding the date of Interview/Tests which will be held in the Mechanical Engg. Dept., SVNIT, Surat likely on 16th Mar, 2018. However, <u>final date/venue of Interview/Tests will be communicated in the intimation email.</u> No TA/DA will be provided to the candidates for attending the interview. Candidates having similar previous experience and dissertation/thesis in the areas related to the project will be preferred. Preference may be given to SC/ST/OBC/PWD if found suitable as per the MHRD rules.
