

One Week

Advanced Entrepreneurship and Skill Development Programme (A-ESDP)

On

“Recent Trends and Future Prospects in Energy Storage and Energy Harvesting Devices”

17th-21st February 2025

Organized by

Department of Electronics Engineering,

Sardar Vallabhbhai National Institute of Technology, Surat, Gujarat

Organizing Committee

Patron

Prof. Anupam Shukla
Director, SVNIT Surat

Coordinators

Dr. Vivek Garg
Dr. Deepak Joshi
Dr. Abhishek Acharya

Resource Persons

Eminent experts from Industry and Academia (IITs, NITs, IIITs, etc.) will be delivering talks along with hands-on sessions.

About Programme

The program focuses on advancing India's semiconductor ecosystem in alignment with the "Atmanirbhar Bharat" initiative through the following objectives:

- The program will allow participants to explore the recent advances in **applied semiconductor technology** for energy harvesting and storage devices, driving innovation and sustainable energy solutions.
- Recent trends in the design and simulation strategies for novel energy harvesting and storage devices.
- Hands-on sessions on the fabrication and characterization of energy harvesting and storage devices by experts from industry and academia.
- Skill Development sessions for professionals working in MSMEs.

Participants

The targeted participants are entrepreneurs, graduates, faculty members of academic institutes, working professionals, and scientists/ researchers from MSMEs and industries. Other Important Information for Participants:

- The workshop will be conducted in physical mode.
- Seats are limited, and the participants will be selected based on a first come, first serve.
- Post-registration applications will be screened by the organizing committee at SVNIT Surat and later at the ministry level (MSME). The confirmation mail containing all the details shall be sent to the shortlisted applicants.
- The participants from the categories, i.e., SC, ST, OBC, Women, PH, and Minority, are encouraged to register.
- Shared accommodation and food for participants will be provided by SVNIT Surat.
- TA will be reimbursed to the participants as per the shortest railway/road routes (2AC/3AC) or equivalent fare upon submission of original tickets.
- The candidate must upload a No Objection Certificate (NOC) from the Supervisor / Head of the Department/Head of the Institute in the registration link for participating in the workshop.

Registration

- Limited Seats: 25
