

Dear Sir/Madam.

We are pleased to invite you to participate in a **Short-Term Training Program (STTP)** on "**Ethical AI/ML for Innovation: Exploring Technologies and Innovation,**" organized by the **Department of Artificial Intelligence** at **Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat** from **24 Feb to 07 March-2024**.

The program is focused on providing a comprehensive understanding of modern AI/ML technologies, concepts and tools, enabling participants to lead their organization's AI/ML strategy. You will have the opportunity to learn from experts in the field through hands-on sessions, interactive lectures, and discussions on real-world use cases.

Key Highlights of the Program:

- Build Ethical AI/ML Foundations
- Fairness & Bias, Numeric Reasoning
- Robotics Applications
- Explainable and Generative AI
- Medical Imaging
- Cyber Security
- Sustainable and Smart Cities
- Interdisciplinary Learning
- Industrial Problem Solving

This STTP will encourage faculty members, industry professionals, budding researchers, and undergraduate and graduate students of different engineering streams towards application, development, and research trends in the aforementioned topics. Please find the attachment for the STTP flyer. Kindly circulate it to your groups and colleagues

We look forward to your active participation in this insightful program that promises to enhance your knowledge and skill set in the rapidly evolving field of AI/ML.

Thank you, and we hope to see you there!

Best Regards,
