

**One day Workshop on
Composites/FML Insides**

30 April 2026

Organized by

*Department of Mechanical
Engineering
Sardar Vallabhbhai National Institute
of Technology(SVNIT)*

Organizing Committee

PATRON

*Prof. Anupam Shukla
Director, SVNIT*

CHAIRMAN

*Prof.Purnanand
Bhale
Head of the
Department, MED*

COORDINATOR(s)

*Dr. R.Srilakshmi
Prof. A.A.Shaikh*

About the Institute

The institute, one of the pioneering engineering institutions of the country, was established in 1961 as Sardar Vallabhbhai Regional College of Engineering & Technology and was given the status of National Institute of Technology, in 2002. At present, there are six undergraduate courses, seven ten postgraduate courses, and PhD programmes in all disciplines of engineering and applied sciences. It has an excellent placement record with a number of top-ranking companies visiting the campus.

About the Department

Department of Mechanical Engineering at SVNIT Surat, established in 1961, is one of the biggest departments of the institute. Several state-of-the-art research facilities are available in the department to support our academic programs and research. The Department is well equipped with modern equipment and computational facilities, provided by dynamic, energetic, trained, and experienced faculty.

Program Objective

To provide fundamental knowledge of composite materials, their types, and fabrication techniques. To enhance participants' ability to apply composites/FML in real-world engineering applications. Participants will gain knowledge of the types of composites, their fabrication, and their applications. Faculty members, research scholars, UG and PG students from relevant disciplines, and industry professionals interested in gaining knowledge of composite/FML.
