Instruction for Online Voting: Hostels Student Election 2026

- a) It is mandatory to use MOZILLA FIREFOX/Chrome Web Browser (latest version) for Voting.
- b) This is the only official link for voting. No other link will be shared separately via email or WhatsApp.

The students need to follow the below steps for Voting:

Step 1 –Login with your credentials on student portal:

<https://mis.svnit.ac.in/SVELECTION>

For credentials, enter the MIS user name (For Example: U20XXYYYY/I20XXYYYY) and password.

Step 2 – Navigate to the page Academic→ Election→ Voting

Step3 – Enter your DOB as per the Institute record.

Step 4 – Select election voting post from the drop down menu – contains various posts of hostel election

Step 5 – For each post you select, you can see the list of nominated student(s). Select the appropriate radio button against candidate's name to vote. Confirmation voting message will appear in the form of popup window.

Step 6 – Cross verify the **completed voting** list for the post selected by you.

Step 7- Logout from the MIS after voting is finished.

Important Note:

- 1) You will get 5 minutes to finish complete voting procedure – if you do not complete in 5 minutes, you will be auto logged out. If you are logged out due to any problem after login, you can re-login but the total time in case of multi login will remain 5 minutes only.
- 2) You will be allowed to login only during your allotted slot. During other time slots, your login will remain disabled.
