## ABOUT SVNIT

**Sardar Vallabhbhai National Institute of Technology (SVNIT)** was established in 1961 as one of the Regional Engineering Colleges for imparting technical education. In exercise of the powers conferred by section 3 of the University Grants Commission (UGC) Act, 1956, the Central Government on the advice of the University Grants Commission, has declared the Sardar Vallabhbhai Regional College of Engineering & Technology (SVREC), Surat to Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat with status of "Deemed University" with effect from 4th December 2002. The Institute has been granted the status of 'Institute of National Importance' w.e.f. 15th August, 2007.

At present, the Institute is offering 11 UG Programmes, 21 PG Programmes, Five Years Integrated M. Sc. (Chemistry, Physics and Mathematics) and Master of Business Administration including doctoral programme in all above branches. The National Institutional Ranking Framework (NIRF) of the Ministry of Education Government of India, has identified SVNIT as one of the best Institute of National importance of Government of India. The SVNIT has excelled tremendously in various research areas in Applied Sciences and Engineering disciplines during the last ten years, and received prestigious awards and grants from various Government bodies.

## ABOUT DEPARTMENT OF CHEMISTRY

Department of Chemistry is one of the most prominent departments in SVNIT, Surat, Gujarat, India. It offers Five Years Integrated M. Sc. in Chemistry, B.Tech. in Industrial Chemistry and Ph.D. program. The academic achievements of the department are well reflected by over 1000 research papers published in various reputed International Journals and more than 70 Ph.D.'s produced covering a wide spectrum of the Chemical Sciences.

(ICCSAM - 2026)

The Department of Chemistry has been the proud recipient of individual research projects sponsored by various funding agencies including DST, CSIR, BRNS, UGC-DAE, DRDO and GUGCOST, to name a few. The department has already organized various STTP, National and International Conferences. The department has produced eminent Chemists, Prime Minister's Research Fellow, NET and GATE qualified candidates in addition to generation of trained human resources in different spheres of Chemical Sciences. Further, several international fellowships (DAAD, RSC Researcher Mobility Grants and Raman-Charpak Fellowship) have been received by the students of Department of Chemistry. The department has an outstanding performance in filling the patents and commercializing the innovative work of faculty. Please refer the following link for further details:

## ABOUT ICCSAM - 2026

The lectures delivered by eminent resource persons at ICCSAM - 2026 promises to be enlightening and thought provoking. Such deliberations would ensure to provide the recent advancement in the chemical & material science and technology and will focus on the current challenges in varied domains.

ICCSAM - 2026 aims to inspire and encourage the young research minds, which enable them to identify problems and take up new challenges covering worldwide issues such as need of advanced materials and technologies against pandemic, environment pollution etc., by gaining knowledge of ongoing current research practices in the theme areas of conference. We have provided the platform to the scientific community and policy makers to interact and share their key research findings with the delegates across the globe.

### THEMES

- Green and Sustainable Chemistry
- Synthetic Organic Chemistry
- Catalysis
- Carbohydrates & Biochemistry
- Organometallics & Coordination Chemistry
- Supramolecular Chemistry
- Food Chemistry and Agrochemicals
- Computational Chemistry
- Artificial intelligence in Synthetic Chemistry
- Functional Organic Materials
- Optics & Energy Materials
- Drug Design & Delivery
- Dyes and Polymers
- Nanomaterials & Biomaterials
- Sensors
- Semiconductors
- Separation, purification & storage materials
- Porous materials (Zeolites, COFs and MOFs)
- Surfactants, Ionic liquids & DES
- Chemical Processing and Technology
- Corrosion Protection
- Biofuels and Biomass Derived chemicals
- Industrial Chemical Process & Developments
- Allied Sciences

### IMPORTANT DATES

**Abstract Submission Starts: 02.02.2026**
