

[Recommendation Letters from the Referees](#)

The applicants may write to their referees to send their recommendation letters directly to the Head of the concerned department (either by e-mail or by post).

The contact addresses of the Heads of the Departments are available at the following link:
<https://www.svnit.ac.in/web/contactus.php>

If a referee has already given a recommendation letter in a sealed cover to the applicant, then the referee need not send it again to the Head of the Department.
