The Sardar Vallabhbhai National Institute of Technology (Formerly Sardar Vallabhbhai Regional College of Engineering & Technology) Surat is a national level Institute established jointly by State Government & Central Government in 1961 with an objective to serve as a benchmark of excellence in technical education in the country. The Sardar Vallabhbhai Regional College of Engineering & Technology, Surat (SVRCET) was converted into Sardar Vallabhbhai National Institute of Technology (SVNIT) Surat and granted a status of an Institute of National Importance by the parliament passing the NIT Act 2007. The Institute is under the fully financial and administrative control of the Ministry of Human Resource Development, Govt. of India, New Delhi. The institute is on the path of academic and administrative excellence and resurgence at National and International level after conversion, making significant headway in reforms in critical and important sector of the technical education, committed to act effectively to reach highest level of academic excellence and also strengthening research and basic sciences.

All the UG programmes and PG programmes were accredited by the National Board of Accreditation (NBA). At present, the institute is having in all 8 hostels, 7 for boys and 1 for girls' students, to accommodate approximately 3864 students (2018-19). The institute has an excellent library with actual total No. of volumes 132815 (including books), 64+45 (online) Journals, 9715 E-Books, 15774 Electronic Documents etc. to cater the academic excellence of students and faculty in the institute. The students in UG programmes are being admitted through JEE main through JoSAA and students in PG programmes are being admitted through Graduate Aptitude Test in engineering (GATE) through CCMT. 104 seats are reserved for the SAARC and other countries under the DASA scheme and 21 seats are reserved under/for Ministry of External Affairs, GOI. The institute has 166 learned faculty members in various departments against the sanctioned strength of 296. The institute is

growing in line with the IITs and considerable research inputs have been increased in the recent past. Presently, more than 675 research scholars are pursuing their PhD programmes in the institute from various technical institutions and industries in the country.

SVNIT is one of the reputed Institutes amongst the 31 National Institute of Technology spreaded all over India. The land of @ 250 acres has been acquired by Government of Gujarat from earlier land owners for educational purpose. The Institute started with three disciplines of Engineering at Under Graduate level and by now, the Institute is offering six under Graduate Programmes, seventeen Post Graduate Programmes. Institute also offers five years integrated M.Sc. programme in Applied Physics, Applied Chemistry and Applied Mathematics.

The institute has received Rs.22.00 Crore funding from TEQIP in Phase-I and scored 9.6 point on the scales of 10 and 12.50 Crore under TEQIP Phase-II scheme. SVNIT, Surat has received total project allocation of Rs. 7.00 Crore for the project duration April-2017 to March-2020 (extended till September-2020) under TEQIP in phase-III.

The institute has been producing the best talents in the country from both its ongoing UG and PG programmes. Since last three years, 22 numbers of students have won the scholarships by competing in Kishore Vagyanic Protsahan Yojana (KVPY) funded by MHRD.

Recently, the institute has become educational training centre in various departments for faculties from various engineering institutions in India. The institutes organize number of Staff Development Programmes (SDP), each for week duration, during the each academic year. The institute has also organized various training programmes for the industries, like L&T, Reliance and ESSAR steel. The institute has identified as the 'Anchor institute' by the Gujarat Government to train the technical manpower to develop technical knowhow as per requirement of the industries for the period of ten years from 2009 onward.

FUNCTIONS:

To offer quality programmes in the engineering at UG, PG and Ph.D. level.

To impart instruction and training to students to meet the technological needs.

To promote research environment.

To promote Industry – Institute interaction.

To foster national integration and value based education.

To interact with Alumni for development of the Institute and for making use of their expertise and resources.

To impart quality education along with development of confidence for being an entrepreneur.

MISSION STATEMENT:

"To be a globally accepted centre of excellence in technical education catalyzing absorption, innovation, diffusion and transfer of high technologies resulting in enhanced quality for all the stake holders"

VISION STATEMENT:

"To be one of the leading Technical Institutes disseminating globally acceptable education, effective industrial training and relevant research output"
