

List of Topics for NPIU Assistant Professors Interview Presentation

1. Chemical and Petroleum refining processes
2. Chemical Engineering Thermodynamics
3. Chemical Reaction Engineering
4. Fluid Flow Operations
5. Heat Transfer Operations
6. Instrumentation and Process Control
7. Mass Transfer Operations
8. Mechanical Operations
9. Safety, Health and Environment related to Chemical Industries
10. Transport Processes

(Dr. Z.V.P. Murthy)
Professor & Head, ChED
SVNIT, Surat
