Companies Hiring from SVNIT

Message from Director

I am very happy to see the sincere and persistent work being done by Training and Placement Section of SVNIT in these challenging times to help our students get employed. Placement of all our students in growth-oriented organisations where they will have unlimited opportunity to learn and grow along with the company's growth, has always been the aim of our institution. In this endeavour, I am sure that our new dedicated Training and Placement team will leave no stones unturned. To enhance their activities further, a new infrastructure is getting ready on the 6th floor of NCRC which will provide better comfort to the companies in their placement process. My heartiest congratulations to the 2020 batch which will make its transition from being students to young technocrats and scientists. I wish them good luck and fortune in all their endeavour.

As we are on the threshold of the new placement season, I wholeheartedly welcome all the companies that regularly visit us for campus for placement and I invite others to visit us or contact our placement staff for new recruitments. I am confident that our students' academic, innovative and enterprising capabilities will make them the most eligible and competitive talents ready to join the workforce.

Lastly, my best wishes to our current batch ready for the new placement season.

Dr. S. R. Gandhi
Director, SVNIT, Surat

Message from Dy. Director

The Training and Placement section of Sardar Vallabhbhai National Institute of Technology, Surat has consistently worked to help our students in shaping their careers. The team has been working to bring out the potential within each student and provide guidance so that their potential can be utilised. Their aim is to present well-trained professionals ready to meet any challenge that they will face after leaving the campus.

I welcome the organisations for the new placement season (Academic year 2021-22) with the hope that they will provide opportunity to our young students to contribute in the growth of the company and our nation.

My best wishes to the students for their selection through Training and Placement Section of the Institute. I am confident that, through their sincerity and diligence, they will add many laurels to the name of SVNIT.

Dr. P. L. Patel
Dy. Director, SVNIT, Surat

Message from Prof In-charge Training & Placement Section

The Training and Placement Section of the S. V. National Institute of Technology, Surat facilitates in shaping the careers of our students in various fields of Engineering and Technology.

T & P section facilitates students to get internships in various companies by providing opportunities in real work environment. It also strives to enhance technical, interpersonal and communication skills of the students; there by preparing them for the professional world. The Section relentlessly explores different areas of opportunities in the field of Engineering and Technology for Placement.

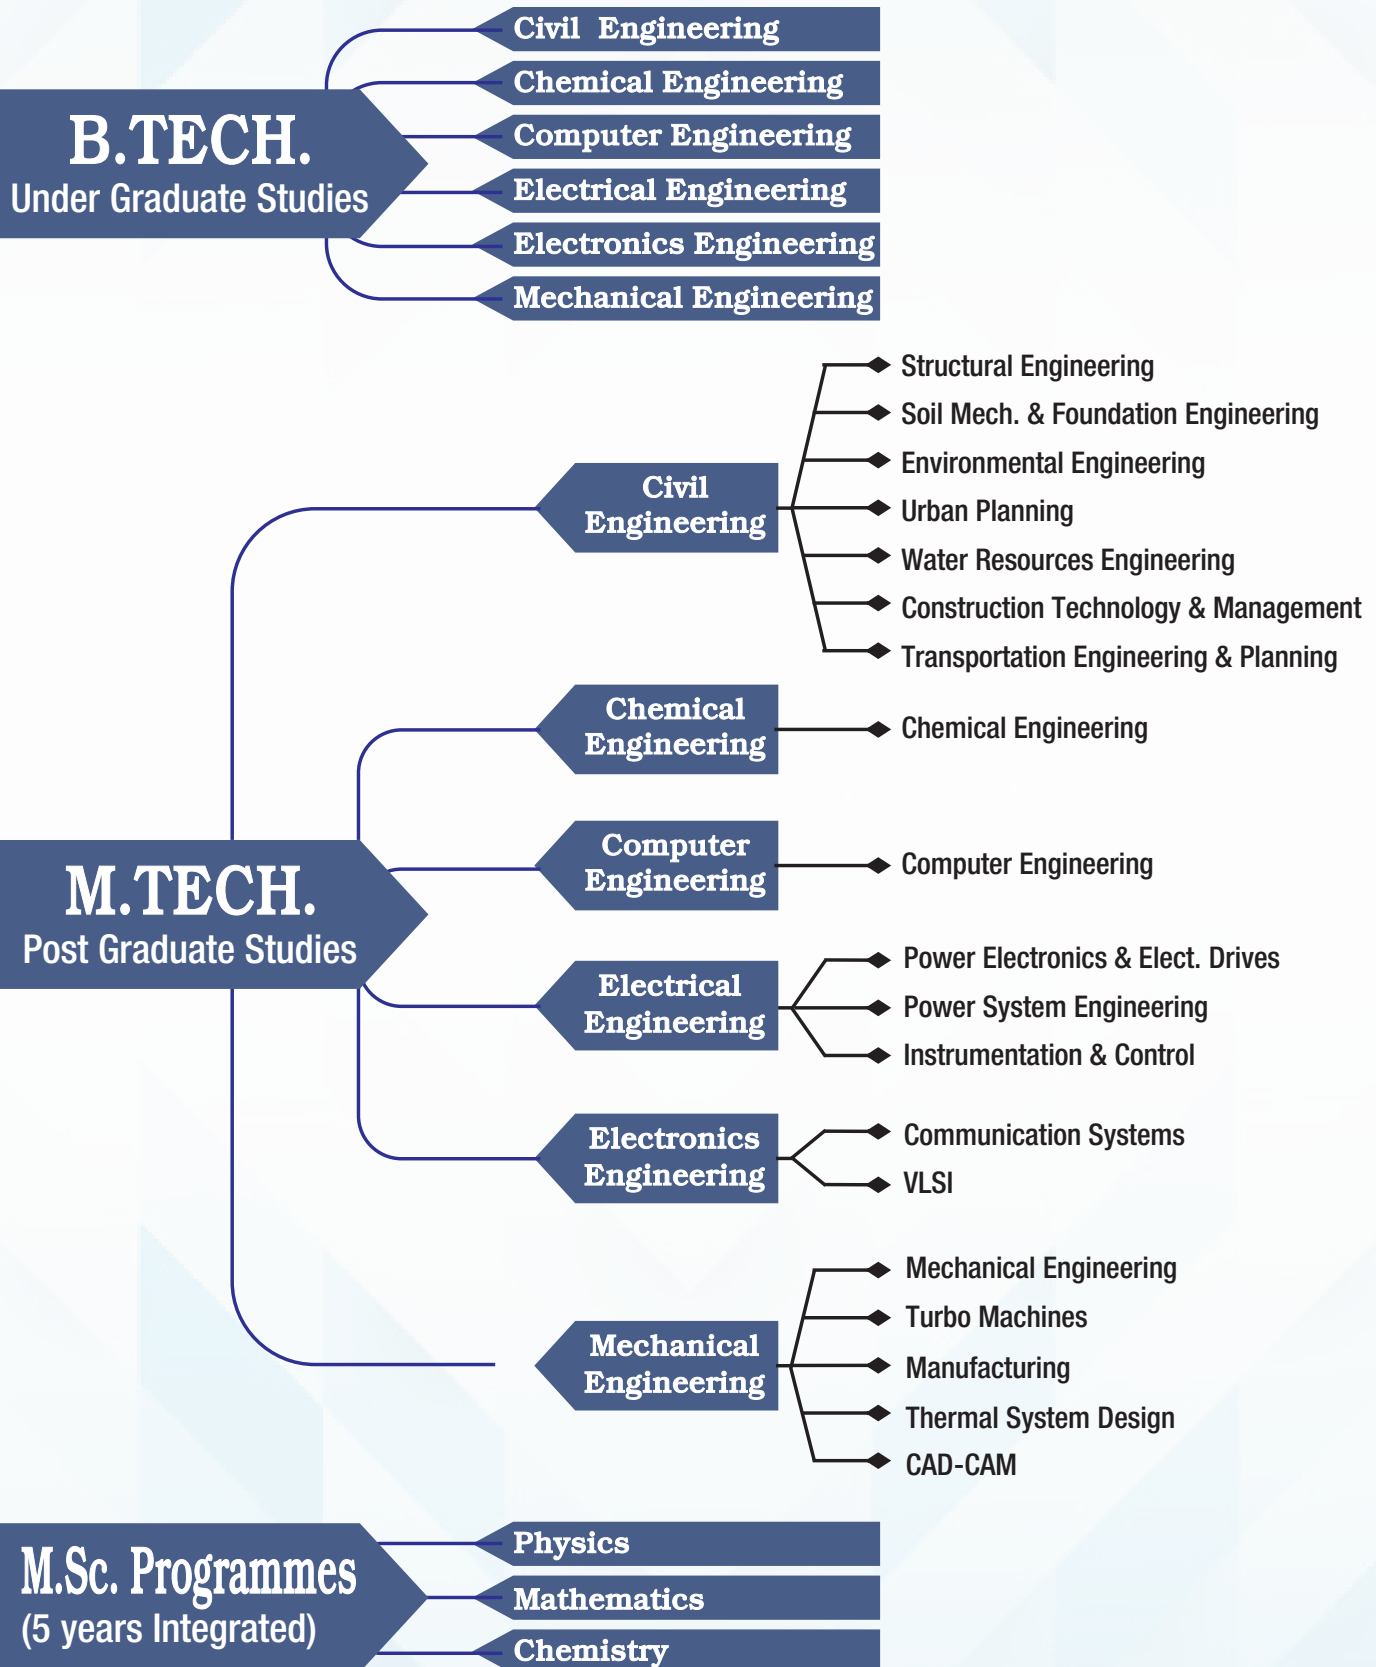

I express my sincere gratitude to all the organizations that have extended their active co-operation to the T&P section in accomplishing its endeavor successfully.

I look forward to their cooperation in the placement of our current batch students.

Dr. R. A. Christian
Prof. I/c T & P Section

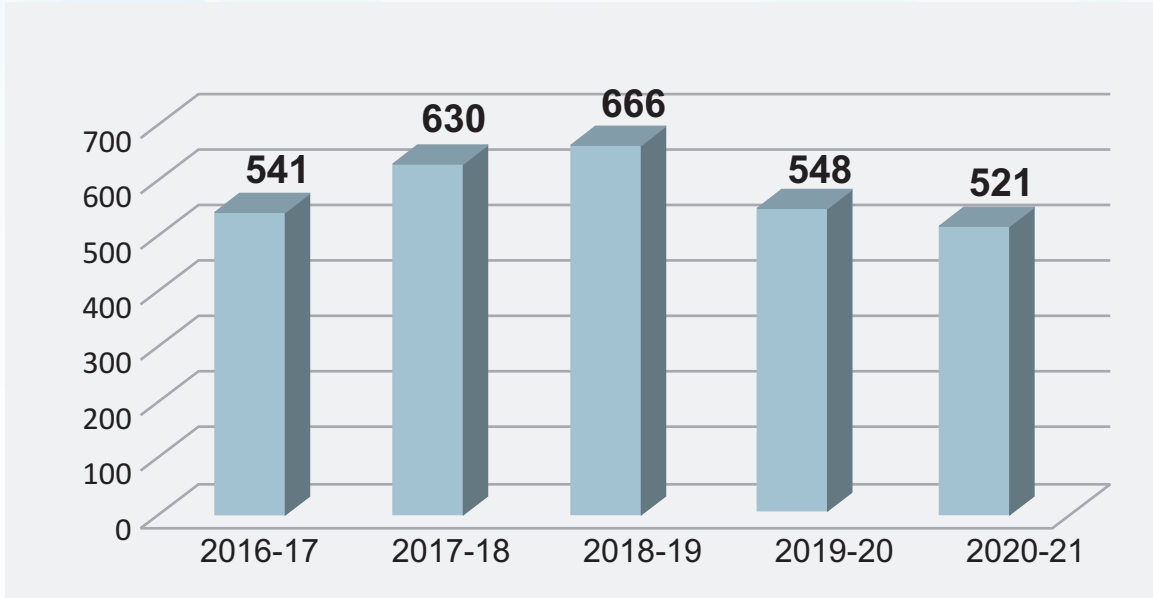

About our Programs

Sardar Vallabhbhai National Institute of Technology, Surat offers six courses at Under Graduate and twenty two courses at Post Graduate Level. The students are given admission based on the National Level exams like JEE for UG level and GATE for PG level admissions.
