

RESEARCH PARK

A Research Park has been set up at the Institute to coordinate institutional activities related to innovation, incubation, entrepreneurship and industrial interaction. Under the Research Park, SVNIT, Surat in association with the Department of Science and Technology (DST), Government of India, has established a NIDHI-TBI (Technology Business Incubator) named ASHINE (Association for Harnessing Innovation and Entrepreneurship).

ASHINE which is a section 8 (not-for-profit) company aims to promote entrepreneurial activity on SVNIT campus and commercialization of R&D efforts across all disciplines of Engineering and Technology including Energy, Environment and Manufacturing. It also extensively undertakes pre-incubation activities for students under the SSIP policy of the Government of Gujarat.

ASHINE is aimed at serving the following main objectives:

- To promote and support entrepreneurship and innovation and allied concept across SVNIT, Surat; other institutes of National Importance as well as other technical institutes
- To implement and handle operations and management of startup and innovation incubators
- To develop, frame and implement policies to support start ups
- To extend state of the art laboratories and other world class incubation and pre incubation facilities to start ups, entrepreneurs and innovators
- To support IPR awareness and registration activities
