Resource Generation

Sardar Vallabhbhai National Institute of Technology (SVNIT) and its Alumni Association (SVNIT AA) wishes our Alumni seasonal greetings.

As you all know, SVNIT strive to maintain the primacy of the institution and the ALUMNI play a big role in reinforcing and spreading the image of the institution across India and across the globe through their achievements in professional and social lives. You as our vibrant and dynamic alumni remain an integral part of our institution's legacy and future. You are our greatest ambassadors. Your achievements across academia, industry, public service, and entrepreneurship continue to inspire our students and strengthen our community. Now as a further move, we look forward to deepening our engagement with you through collaborations, mentorship, research partnerships, and campus initiatives donations etc. Together, we can continue to uphold our shared values, advance knowledge, and make a meaningful impact on society.

26th January 2026 we unveiled our first newsletter Vol-1. In the similar direction, SVNIT is delighted to share its second Newsletter (April - 2026 Edition, Vol. 2) from Dean ARG office, celebrating institutional progress, alumni notable achievements, and our shared journey. This newsletter is intended to capture the vibrancy of the alumni and create the special bonds between the alumni, who are spread through-out the world and for whom it is really difficult to see the holistic picture of the institutional and alumni activities. We hope you find this newsletter energizing and touch your heart and relive the golden moments you spent at the institute and channel back some of that energy through various concrete initiatives and help the institute grow further in all respects.

We request you to share and broadcast with our Alumni and Batch friends on social media. We have been receiving valuable feedback/ suggestions. We encourage you to post Articles, Content, Achievements, and Alumni chapter updates to our email adean_arg@svn.ac.in within the limit of 500 words. Please do ensure that there is no copyright infringement and also do mention your details (i) Degree (B.Tech., M.Tech., M.Sc., Ph.D., etc.) (ii) Branch/ Department, (iii) Pass out Year, and (iv) Photo.

Though utmost care has been taken in publishing this newsletter, if there are any factual discrepancies they may be brought to the notice of the Committee.

Your continued connection, accomplishments, and support play a vital role in shaping the future of our institution and inspiring the next generation.

-SVNIT NEWSLETTER COMMITTEE

02-Modern Food Court beside the Canteen

Happy to share that Our first project of Infrastructure Development Initiative "Food Court" is officially Live from 09/08/2026. A very popular Food Chain of Cafe Beats has Inaugurated its SVNIT Branch at SVNIT FOOD COURT-Shop 1 & 2

We are sure that students, staff, and faculty will enjoy every bite at Cafe Beats.

Dr. Ananyo Bhattacharya, Mechanical - 2021

A NASA Group Achievement Award has been presented to the Juno Radio Occultation Team, which studied the characteristics of Jupiter's atmosphere. Included on the team are U-M Assistant Professor Cheng Li, Alumnus and Research Fellow Ananyo Bhattacharya, and Professor Emeritus Sushil Atreya.

The honor recognizes the team for group achievement in planning and implementing Jupiter occultations in the Juno extended mission, which were not anticipated in the original mission concept. Congratulations to our researchers!

Nitin Jhanwar, Civil - 1989

10-Alumni Success Stories

Urmik Riddhesh Bhavsar,
Mathematics - 2025

An alumnus of the Integrated at Sardar Vallabhbhai National Institute of Technology Surat, has pursued Indian classical music alongside academics. He began his musical training at the age of 11 under Dr. Dipak Kansara of the Rampur-Sahaswan Gharana and completed his Visharad (B.A. in Music) with a Gold Medal in 2020.

He is currently pursuing Alankar (M.A. in Music).

He has won several state-level competitions, including Kala Mahakumbh, and performed at the World Culture Festival organized by The Art of Living Foundation, which holds a Guinness World Record. In 2026, he was awarded the B-Grade Artist recognition in Harmonium by All India Radio and has also served as a judge in various music competitions.

Dr. Tejaswini Narayanan,
Electrical - 2008

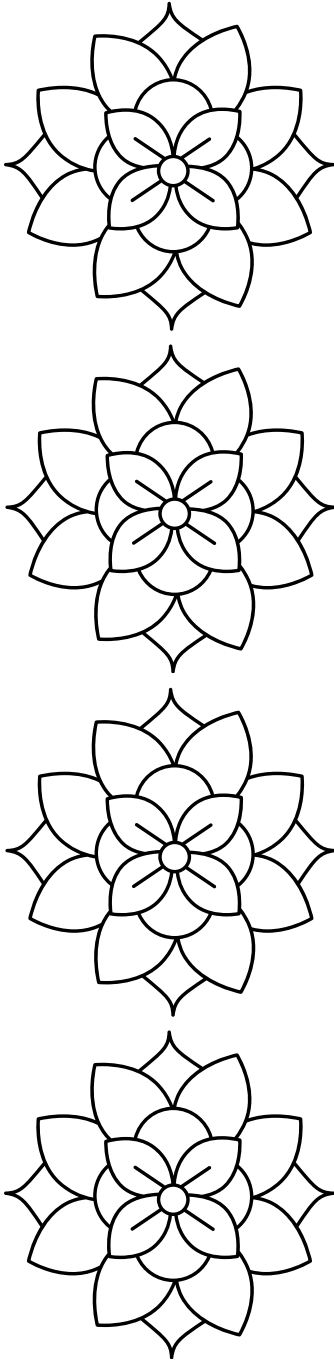

Dr. Tejaswini Narayanan is an SVNIT alumnus (Electrical Engineering, 2004–2008 batch) who pursued a PhD in Electrical Engineering at the University of California, San Diego, specializing in AI. Her professional experience spans artificial intelligence, data science, big data, and contributions to cancer research through AI and bioinformatics.

She is also a professional Bharatanatyam dancer and singer, with performances across India and the US at prestigious sabhas, temples, and cultural festivals, and has additionally been invited to perform in Brazil and Morocco. Trained in Kathak, Carnatic, and Hindustani music, she also explores theatre as a medium of artistic expression.

SVNIT alumni student appreciation in Gujarati magazine : Chitralkha

પોઝિટિવિટીનો પ્રાણવાયુ

પ્રો, સોશિયલ મિડિયાથી દૂર જેન ઝીનો એક એવો હિઝન અવાર પછા છે, જે ખરેખર ઈન્સપાયરિંગ છે...

સુરતના કેટલાક યંગસ્ટર્સ આ વાતનો જીવનગ્રંથનો પુરાવો એટલે કે અસ્ટિમેટ પ્રૂફ છે. આ પુષ્પ માત્ર પોતાની કરિયરનો ગ્રાહ ઉઠાવે લઈ જવામાં અને પોતાના ઓફસ અચીવ કરવામાં જ નહીં, પણ બીજાના ભવિષ્યને ચમકાવવામાં પણ એટલો જ જખરદસ્ત બરોસો રાખે છે.

૨૦૨૦માં સુરતમાં એડિમાઈટ એજ્યુકેશનલ એન્ડ ચેરિટેબલ ટ્રસ્ટની શરૂઆત થઈ. એડિમાઈટ નામ એની વિચારધારાનો પરિચય આપે છે: એજ્યુકેશન અને ઈમાઈટ (સ્પોર્ટ્સ)નું સંયોજન. ભૂતપૂર્વ રાષ્ટ્રપતિ ડૉ. એપીજે અબ્દુલ કલામની પ્રેરણાથી જન્મેલી આ સંસ્થાનું એક જ ધ્યેય છે કે ગરીબ બાળકોમાં મનમાં શિક્ષણનો દીવો પ્રગટાવવો.

આ સંસ્થાની વિશેષતા ગણો તો એની સાથે સંકળાયેલા લગભગ ૩૫થી ૪૦ સ્વયંસેવકો બધા જ કોલેજિયન કે યુવા પ્રોફેશનલ્સ છે એટલે કે જેન ઝી. એ પોતાના અભ્યાસ, નોકરી અને વ્યક્તિત્વ જીવનમાંથી સમય કાઢીને અહવાલિયામાં બે-ત્રણ દિવસ સુરતના વિવિધ ઝૂંપડાંથી વિસ્તારીમાં પહોંચે છે અને બાળકોને ભણાવે છે. એમના માટે આ માત્ર ટ્યુશન નથી, પરંતુ એક સામાજિક જવાબદારી છે.

સંસ્થાના સેક્રટરી હીર મહેતા વિચારોળમે કહે છે: 'ગરીબ પરિવારોમાં અમને બે મોટી ગેરલક્ષ્ય જોવા મળી. એક તો ભણવાથી કાનું વળતું નથી અને બીજું આ ખર્ચ અમારા નસીબમાં જ નથી. અમરે સૌથી પહેલાં આ બન્ને માન્યતા તોડવી હતી. બાળકોમાં આત્મવિશ્વાસ જગાવવો હતો કે એ પોતાનો રસ્તો જાને બનાવી શકે છે. એટલે જ અમે માત્ર પાઠ્યપુસ્તકોનું નહીં, પરંતુ જીવનશૈલી શિક્ષણનું પણ કામ શરૂ કર્યું. એનું સારું પરિણામ મળી રહ્યું છે.'

આ સકરની શરૂઆત પણ ખૂબ જ પ્રેરણાદાયી હતી. ૨૦૧૮માં સુરતની સરદાર વલ્લભભાઈ નેશનલ ઈન્સ્ટિટ્યુટ ઓફ ટેકનોલોજી (SVNIT)ની હોસ્ટેલમાં રહેતા વિદ્યાર્થીઓના એક જૂથે એમના સાથી વિદ્યાર્થી પ્રિન્સ વર્માથી પ્રેરણાને ઝૂંપડાંથીનાં બાળકોને ભણાવવાનું શરૂ કર્યું. આ નાનકડી પહેલ એક વર્ષમાં જ સંગઠિત સ્વરૂપ ધારણ કરીને ૨૦૨૦માં એનજીઓ બની ગઈ. આજે એની પ્રવૃત્તિનો સુરત, રાજકોટ, ગુડચાંવ અને બેંગલુરુ સુધી વિસ્તાર થયો છે. ખાસ વાત એ છે કે સંસ્થાના સ્વયંસેવકો નોકરી માટે જ્યાં જ્યાં ગયા ત્યાં ત્યાં આ સેવાયત્ર પણ એ સાથે જ લઈ ગયા.

હીર મહેતા આજે બેંગલુરુમાં ગુજલમાં સોફ્ટવેર એન્જિનિયર તરીકે કાર્યરત છે. એના જેવા અનેક સ્વયંસેવકો દેશની પ્રતિષ્ઠિત કંપનીઓમાં સહી જવાબદારી નિભાવી રહ્યા છે. એ માને છે કે એની સહજતામાં પોતાની મહેનત જેટલો જ હિસ્સો એ ગરીબ બાળકો અને એમનાં

ખાલી રીલ્સ નહીં, રિયલ લાઈફ હીરોઝ!

...એટલે શું? વાઈરલ ટ્રેન્ડ્સ, ઈન્સ્ટા રીલ્સ અને લેટેસ્ટ ટેકનોલોજીના ગુલામ? ના બોસ, પિક્ચર જુદું છે! જ્યારે આ જનરેશન પોતાની સક્સેસની સાથે સાથે બીજાનું ફ્યુચર સેટ કરવાનું નક્કી કરે ત્યારે સોસાયટીમાં ખરા અર્થમાં રિયલ ચેન્જની શરૂઆત થાય છે. સુરતથી લઈને ન્યુ યૉર્ક સુધી આ જ સ્ટોરી છે.

એક વિદ્યાર્થીએ શરૂ કરેલી પ્રવૃત્તિમાંથી પ્રેરણા લઈ 'એડિમાઈટ' ટ્રસ્ટના જેન ઝી કાર્યકરો સુરતમાં ગરીબ બાળકોને ભણાવે છે.

માતા-પિતાના આશીર્વાદનો પણ છે.

ગરીબ બાળકોમાં શિક્ષણ માટે થતો મોટા ભાગનો ખર્ચ સંસ્થાના સ્થાપક કાર્યકરો પોતાની કમાણીમાંથી ઉઠાવે છે. કોલેજના દિવસોમાં પોસ્ટમનમાંથી ખર્ચ આપતા હતા. કેટલાક પ્રોફેસર પણ સહયોગ માટે આગળ આવે છે એટલે આ સંસ્થા માત્ર ડાન પર નહીં, પરંતુ જવાબદારી અને સમર્પણ પર ઊભી છે.

સંસ્થાના સ્વયંસેવકોનું માનવું છે કે ગરીબ

બાળકોને ભણાવવાં એ સમાજ પ્રત્યેની કરજ છે. આ સેવાએ એમને પોતાના જીવન પ્રત્યે પણ વધુ જવાબદાર બનાવ્યા છે. કદાચ એ જ કારણ છે કે પછાત સ્વયંસેવકોને દેશની અગ્રણી શૈક્ષણિક સંસ્થાઓમાં પ્રવેશ મળ્યો અને અનેકને પ્રતિષ્ઠિત કંપનીમાં સહી નોકરી પણ મળી.

આને જેન ઝીનું સુંદર અને પ્રેરણાદાયી સ્વરૂપ કહેવામાં કોઈ અનિરપેક્ષિત નહીં લાગે!

સુરતના સ્વયંસેવકોનું માનવું છે કે ગરીબ

SELECTION સિંગાપુરમાં ઓગસ્ટ 2026માં યોજાનારા YEP પ્રોગ્રામમાં ડોલી કુમારી ભારતનું પ્રતિનિધિત્વ કરી ગૌરવ વધારશે SVNITની NCC કેડેટ ડોલી કુમારીની 'યુથ એક્સચેન્જ પ્રોગ્રામ-2026' માટે પસંદગી

સુરતની એનસીસી કેડેટ શી ટીટી ડોલી કુમારીની અગ્રણ્ય મહેનત, શિક્ષિત અને સમર્પણથી નેશનલ કેડેટ કોર્પોસના પ્રતિષ્ઠિત યુથ એક્સચેન્જ પ્રોગ્રામ 2026 માટે પસંદગી થઈ છે. જે અંતર્ગત તેઓ ઓગસ્ટ 2026માં સિંગાપુરમાં ભારતનું પ્રતિનિધિત્વ કરશે. મૂળ ગરબેડ અને તાલમાં સરદાર વલ્લભભાઈ નેશનલ ઈન્સ્ટિટ્યુટ ઓફ ટેકનોલોજીમાં કેમિકલ એન્જિનિયરિંગનો અભ્યાસ કરતી ડોલી કુમારી બાળપણથી જ અભ્યાસ, સ્પર્ધાત્મક અને સાંસ્કૃતિક પ્રવૃત્તિઓમાં આગળ રહી છે. સામાન્ય પરિવારમાંથી આવતી ડોલીના પિતા શિશુકાંત કુમારે કાર્પેન્ટર તરીકે કામ કરે છે, જ્યારે માતા ગુણિણી છે. પરિવારના સહકાર અને પોતાના ઠંઠ સંકલ્પના કારણે તેમણે અનેક શ્રેયોમાં સફળતા મેળવી છે.

'5 ગુજરાત બટાલિયન'માં 'ફર્સ્ટ રિઝર્વ બેસ્ટ કેડેટ'માં પણ સ્થાન મેળવ્યું

1 ડોલીએ પ્રજ્ઞાસક્ત કિલ્ડ્રેન્સ કેમ્પ 2026 માટે લગભગ છ મહિના સુધી કઠોર તાલીમ લીધી હતી. કરોડો રૂાની કસરત, ટ્રિલ પ્રેક્ટિસ, સાંસ્કૃતિક પ્રવૃત્તિઓ અને વ્યક્તિત્વ વિકાસની તાલીમ દ્વારા તેણી પોતાની ક્ષમતાઓને વધુ મજબૂત બનાવી છે. આ સકર દરમિયાન તેમણે અનેક તત્કાલીન પસંદગી બિંદુઓ પાર કરી હતી. પ્રતિભા અને નૈનૃત્ય ક્ષમતાને માન્યતા અપાતાં તેની 'ફર્સ્ટ રિઝર્વ બેસ્ટ કેડેટ' તરીકે પસંદ કરાઈ હતી. જે NCCમાં ખૂબ ગૌરવપૂર્ણ સિદ્ધિ માનવામાં આવે છે.

2 તે હાલમાં SVNITની કેમિકલ એન્જિનિયરિંગ એલિયટીમાં વેબ ડેવલપમેન્ટ ટીમના સભ્ય તરીકે પણ સક્રિય છે અને વિવિધ ટેકનિકલ તથા સંસ્થાકીય પ્રવૃત્તિઓમાં યોગદાન આપી રહી છે. તેણે જણાવ્યું હતું કે, "યુથ એક્સચેન્જ પ્રોગ્રામ માટેની પસંદગી મારા માટે ગૌરવપૂર્ણ છે. સિંગાપુરમાં દેશનું પ્રતિનિધિત્વ કરતી વખતે મું દેશના મૂલ્યો, સંસ્કૃતિ અને પ્રતિષ્ઠાને વિશ્વ સ્તરે રજૂ કરવાનો શ્રેષ્ઠ પ્રયત્ન કરીશ. 5 ગુજરાત બટાલિયન એનસીસી સુરત માટે પણ આ સિદ્ધિ માતૃવની બની છે.

3 અભ્યાસ શરૂ કરે પછી ડોલી સતત તેજસ્વી રહી છે. તેમણે CBSE પોરણ-12માં ટોપર તરીકે સ્થાન મેળવ્યું હતું. ઇન્ફોર્મેશન ટેકનોલોજી અને કોમ્પ્યુટર ગ્રેડ એક્સલેન્સ જેવી પ્રતિષ્ઠિત સંસ્થાઓ દ્વારા સ્કોલરશિપ પણ આપવામાં આવી છે. તેણે મહિલા યુવક સંશોધનની 60 કિલોગ્રામ કેટેગરીમાં ગોલ્ડ મેડલ જીત્યો છે. આ ઉપરાંત એક્ઝિટિંગ અને સ્ટેજ મેનેજમેન્ટમાં પણ અનેક સન્માન પ્રાપ્ત કર્યો છે.

10-Alumni Success Stories

એસવીએનઆઈટીના પૂર્વ વિદ્યાર્થી તેજસ પરમારે કલેક્ટર તરીકે ચાર્જ સંભાળ્યો

સુરત : સુરત જિલ્લાના નવા કલેક્ટર અને ડિસ્ટ્રિક્ટ મેજિસ્ટ્રેટ તરીકે વર્ષ ૨૦૧૬ બેચના તેજસ્વી આઈએએસ (IAS) અધિકારી તેજસ

દિલીપભાઈ પરમારે આજે સત્તાવાર રીતે પોતાનો પદભાર સંભાળી લીધો છે. અગાઉ અહીં સફળ ફરજ બજાવી ચૂકેલા ડૉ. સૌરભ પારધીની ગાંધીનગર ખાતે બદલી થતાં હવે સુરતની સર્વાંગી વિકાસયાત્રાને આગળ ધપાવવાની મહત્વપૂર્ણ જવાબદારી નવનિયુક્ત યુવા અધિકારી તેજસ પરમારના શિરે આવી છે.

નવનિયુક્ત કલેક્ટર તેજસ પરમારે એસ.વી.એન.આઈ.ટી.માંથી મિકેનિકલ એન્જિનિયરિંગનો ઉચ્ચ અભ્યાસ પૂર્ણ કર્યો છે. આજે સત્તાવાર રીતે ચાર્જ સંભાળતાની સાથે જ કલેક્ટર તેજસ પરમાર તુરંત જ એક્શન મોડમાં જોવા મળ્યા હતા. તેમણે ઉચ્ચ અધિકારીઓ સાથે સમીક્ષા બેઠક

યોજીને જિલ્લાની પ્રવર્તમાન સ્થિતિ, પ્રજાલક્ષી સેવાઓ તેમજ હાલમાં ચાલી રહેલા વિવિધ મેગા વિકાસ પ્રોજેક્ટ્સની સાથે આવક અને જાતિના દાખલા તેમજ જાતિનું પ્રમાણપત્ર નાગરિકોને ઝડપથી મળી રહે તે દિશામાં કામગીરી કરવા આદેશ આપ્યો હતો. તેમણે પ્રજાની રોજબરોજની સમસ્યાઓનો સમયબદ્ધ નિકાલ કરવા અધિકારીઓને દિશાનિર્દેશો આપી દીધા હતા. તેઓ મૂળ બનાસકાંઠા જિલ્લાના પાલનપુરના વતની છે. તેમજ દેશની પ્રતિષ્ઠિત UPSC પરીક્ષામાં સમગ્ર ભારતમાં ૩૧૦મો રેન્ક મેળવી તેઓ પાલનપુરના સૌપ્રથમ IAS અધિકારી બન્યા હતા. તેઓ દાહોદમાં આસિસ્ટન્ટ કલેક્ટર, અમરેલીમાં DDO, ગાંધીનગરમાં શહેરી વિકાસ વિભાગના ડેપુટી સેક્રેટરી, MGVCCLના MD તેમજ જૂનાગઢના મ્યુનિસિપલ કમિશનર જેવી જવાબદારીઓ નિભાવી ચૂક્યા છે.

Meeting with a new Collector of Surat: Shri Tejas Parmar, IAS, SVNIT Alumnus

Delegation from Dean - Alumni and RG office : Dr. Ravi Kant, In-charge Dean- Alumni and RG, Dr. Hemantkumar Bulsara, Associate Dean - Alumni and RG and office bearers of SVNIT ALUMNI ASSOCIATION: Tushar Mehta, Secretary and Jay Shukla, Joint Secretary met Shri Tejas Parmar, Collector of Surat, SVNIT Alumnus to congratulate and welcome him. SVNIT SURAT is very much proud of him... Best wishes to him...

SVNIT Team DRISHTI creates history at DD Robocon 2026.

Achievements

- 5th Position among 40 participating teams
- Qualified for the Quarter Finals
- One of only two teams in the Top 12 to successfully complete robot assembly in every match

This achievement reflects SVNIT's commitment to providing students with hands-on exposure to cutting-edge domains like space robotics and mission-critical engineering.

Congratulations to Team DRISHTI for representing SVNIT on the international stage and making us proud!

10-Alumni Success Stories

SVNIT Team DRISHTI creates history at Rover 2026.

Achievements

- Achieved Global Rank 9 amongst 35 highly competitive finalist teams in International Rover Challenge 2026.
- Scored one of the highest team totals amongst all participating teams in the Astro-biological Expedition Mission of IRC 2026.
- One of the most budget-friendly rovers in the competition.
- Only team from an NIT in the top 10.

The above Achievements of Team Drishti, stand as a clear testament to our mission to build advanced rovers through smart resource utilization, offering hands-on experience in space robotics and astrobiology

SVNIT Team DRISHTI creates history at Aero 2026.

Achievements

- Secured 9th Place in a highly competitive circuit of 85 participating teams in the National Aeromodelling Competition, IIT Bombay.
- 3rd Rank Globally (2nd Runner-Up) among 22 international and national teams in the International Space Drone Challenge 2026.
- Only NIT to have made it to the Podium in the ISDC '26.

These achievements reflect Team Drishti's growing depth in aeromodelling and flight systems- from air frame design and control surfaces to the iterative testing discipline that turns a design on paper into a machine that flies.

SVNIT Team DRISHTI'S Moments of Excellence in Chemical Engineering

Achievements

- Secured Runner-Up at Azeotropy 2026, IIT Bombay
- Also received the Best Innovative Model Award
- Won Chem-e-Car Competition at MINDBEND, 2026

These efforts and achievements showcase Team Drishti's dedication, teamwork, innovation, and relentless pursuit of excellence. Every milestone motivates us to push boundaries, inspire future innovators, and proudly represent Team DRISHTI and SVNIT Surat on national platforms.

Together, we don't just compete - we innovate, excel, and create a legacy of engineering excellence.

10-Alumni Success Stories

SVNIT Team DRISHTI creates history at Innovation 2026.

- Ranked Top 25 Nationally at GUJCOST Robofest 5.0, India's biggest robotics competition, under the Senior Level Application-Based Category (Robots for Sustainability).
- Cleared the ideation round, received ₹50,000 in grant funding, and advanced to the Proof of Concept (PoC) stage.
- Advanced to Level II – Proof of Concept, held at the International Automobile Centre of Excellence (IACE), Gandhinagar, as part of Robofest Gujarat 5.0.
- Selected as a Finalist for the prestigious NIDHI-PRAYAS Program at IIT Gandhinagar, an initiative supported by the Department of Science and Technology (DST), Government of India.

- Successfully pitched SENTINEL — an advanced Robot-as-a-Service (RaaS) platform engineered to transform precision agriculture and drive sustainable, large-scale land restoration.

SVNIT Team DRISHTI'S Moments of Excellence in Civil Engineering

Achievements

- Secured 6th position among 33 participating teams in the "Bridge-IT" competition at Aakar, IIT Bombay 2026, showcasing our structural design and bridge-building skills.
- Designed and constructed a double-decker cable-stayed bridge using ice-cream sticks, combining structural efficiency, stability, and innovative design.
- Successfully achieved zero penalties for one of our bridge designs, demonstrating accuracy in construction, adherence to competition requirements, and effective execution.
- Achieved one of the highest compressive strengths in the "ConquerIt" competition at Aakar, IIT Bombay 2026, through the development of an optimized lightweight concrete mix.
- Secured 4th position in the "ConquerIt" competition at Aakar, IIT Bombay 2025, by developing an eco-friendly, fiber-reinforced geopolymer composite as a high-strength and sustainable alternative to conventional concrete.

The achievements of Team Drishti demonstrate our commitment to applying structural engineering principles, innovative design, material technology, and practical construction skills in competitive engineering challenges.

11-Distinguished Alumni Awards 2024 & 2025

The Distinguished Alumni Award has been instituted by the Sardar Vallabhbhai National Institute of Technology to recognize and honor its alumni who have made outstanding contributions to society through their professional achievements, leadership, innovation, public service, entrepreneurship, and other distinguished accomplishments. The award also recognizes the recipients' active involvement in alumni activities, their contributions towards the growth and development of SVNIT/SVRCET, and their efforts for the welfare and advancement of SVNIT students.

The Applications were invited from the Alumni of SVNIT, Surat for the Distinguished Alumni Awards for the years 2024 and 2025. A duly constituted Selection Committee examined and evaluated all eligible nominations based on the prescribed criteria and recommended the following alumni for the Distinguished Alumni Awards for the year 2024 and 2025:

Distinguished Alumni Awards for the year 2024

Sr. No.	Name of the Awardee	Batch
1.	Sanjib Kumar Panda, Area Director, Power & Energy Research Group, Deptt. of Electrical & Computer Science Engineering, National University of Singapore	1983
2.	Rajendra G Kanungo Chief Engineer & Director, GERI, Govt. of Gujarat	1987

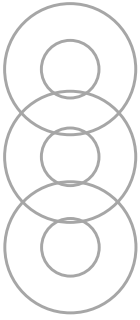

Distinguished Alumni Awards for the year 2025

Sr. No.	Name of the Awardee	Batch
<u>General Category</u>		
1.	Krishna Suraj Moraje, Founder, Ekta Fellowship & Former CEO of Qness Corp.	1997
2.	Dorje Angchuk, Engineer In-charge, Indian Astronomical Observatory (IAO)	1997
3.	Sanjay Choubey, Global Chief Digital and Information officer at Sylvamo Corporation	1992
4.	Raj Lakhani. Managing Director, PERI (India) Pvt, Limited	1982
<u>Young Achiever Category</u>		
1.	Nijeesh Padmanabhan Director, Consulting Practice, Deloitte	2010
<u>Woman Achiever Category</u>		
1.	Bhairvi Kamat Founder & Co-CEO of Midasblue	1997
2.	Poonam Gupta Product Innovator and communication builder, Former Indichip Founder Circle	2000

11-Distinguished Alumni Awards 2024 & 2025

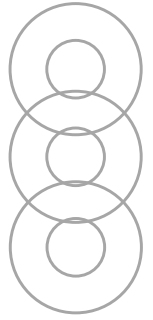

Distinguished Alumni Awards for the year - 2024

SANJIB KUMAR PANDA
Electrical, Batch - 1983

RAJENDRA G KANUNGO
Civil, Batch - 1987

Distinguished Alumni Awards for the year - 2025

General Category

KRISHNA SURAJ MORAJE
Electrical, Batch - 1997

DORJE ANGCHUK
Electronics, Batch - 1997

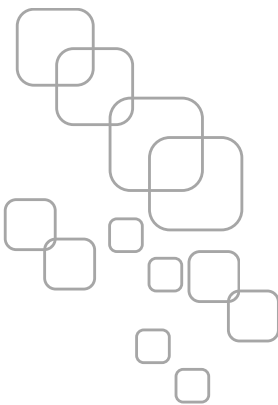

SANJAY CHOUBEY
Mechanical, Batch - 1992

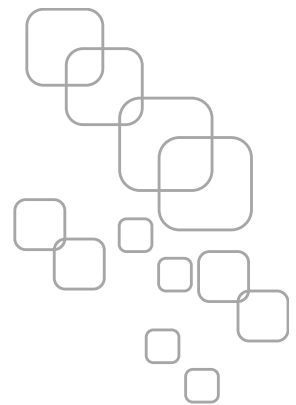

RAJ LAKHANI
Civil, Batch - 1982

Research Funding
(Past 15+ Years)

Mentor, Leader & Innovator Worldwide

ACADEMIC JOURNEY

- 1983** B.E. (Electrical) with 1st Class Honours SVRCET, Surat (SVNIT)
 - Gold Medalist – Highest marks in B. Engg. (Electrical) and all B. Engg. (Civil, Mechanical & Electrical)
- 1987** M.Tech. (Electrical Engineering) Institute of Technology, Banaras Hindu University, Varanasi
 - Gold Medalist – Highest marks amongst all M. Tech. (Electrical) students
- 1991** Ph.D., University of Cambridge, UK
 - Nehru Cambridge Fellowship
 - Overseas Research Studentship from the Cambridge Commonwealth Trust (PhD studies: 1987–1991)

ACADEMIC LEADERSHIP @ NUS

- Joined Dept. of Electrical & Computer Engineering, National University of Singapore as Lecturer in 1992
- Associate Professor
- Director – Power & Energy Research Area (From 1st Jan. 2010 – Till Date)
- Director (Education), Design Technology Institute (NUS & TU/e, The Netherlands, funded by EDB, Singapore)
- Group Head, Drives, Power & Control Group (2007–2009)
- Annual Teaching Excellence Award, NUS: 2004 & 2009
- Multiple Teaching Awards at Faculty of Engineering & ECE Department since 2000

RESEARCH & INNOVATION

- Extensive research in control of electric drives and power electronic converters
- Co-authored 1 book & several book chapters
- Published more than 530 papers in international journals & conferences
- 6 Patents
- H-Index: 54
- More than 14,000 Citations
- Research funding of \$25 million+ over the past 15+ years
- Current Research Interests:
 - High-performance control of motor drives
 - Distributed renewable energy & grid integration
 - Condition monitoring, preventive & predictive maintenance
 - Energy conservation in built environment
 - ACMV control & operational optimization
 - Data science & analytics for anomaly detection in engineering plants

ENTREPRENEURIAL VENTURES

Co-Founder of:

ENBED

ENBED Pte. Ltd.

REPMIX

REPMIX Pte. Ltd.

SPCSCAN

SPCSCAN Pte. Ltd.

(Founded along with PhD students and research staff)

IEEE LEADERSHIP & SERVICE

- Active IEEE Senior Member
- Chapter Officer, IEEE Singapore Section's Joint PE/IAS Chapter (Since 1994 – Till Date)
- Served in IEEE Singapore Section (2000–2004) & Section Chairman in 2004
- Recipient – IEEE 3rd Millennium Medal
- Organizing Chairman, IEEE PEDS 2003
- Founding Chairman, ICSET 2008
- Best Volunteer Award – IEEE Singapore Section (2006)
- Best Volunteer Award – IEEE R-10 (2014)
- R-10 Coordinator, IEEE PELS (Since 2012) ^a
- Consistent membership growth > 15% in R-10
- Proposed & initiated Regional Distinguished Lecture (RDL) Program for IEEE PELS (June 2020)
- Organizing Chair, IEEE ECCE-ASIA 2021 (24–27 May, Singapore)
- Member, Program Committee, IEEE Section Congress 2014 (Amsterdam, Netherlands)
- Presenter, IEEE Section Congress 2017 (Sydney, Australia)
- Associate Editor: IEEE Transactions on Power Electronics & Journal of Emerging and Selected Topics in Power Electronics (Since 2012)

HONOURS & RECOGNITIONS

- ★ IEEE Fellow (w.e.f. 1st Jan. 2021)
- ★ IEEE PELS Distinguished Lecturer (1st Jan. 2022 – 31st Dec. 2025)
- ★ Member-at-Large (MAL), IEEE Power Electronics Society (1st Jan. 2025 – 31st Dec. 2027)
- ★ Annual Teaching Excellence Award, NUS (2004, 2009)
- ★ Multiple Teaching Awards at Faculty of Engineering & ECE Department (Since 2000)
- ★ IEEE 3rd Millennium Medal Recipient
- ★ Best Volunteer Award – IEEE Singapore Section (2006)
- ★ Best Volunteer Award – IEEE R-10 (2014)

IMPACT & CONTRIBUTION

- Shaping generations of engineers and researchers
- Pioneering research in power electronics, drives and sustainable energy
- Bridging academia, industry and innovation
- Global impact through mentoring, publications, patents and leadership

PROUD SVNIT ALUMNUS

A distinguished alumnus of SVNIT who continues to uphold the values of excellence, integrity and service, and inspires the global engineering community through his achievements.

“ Excellence in education and research today, creates a sustainable and innovative tomorrow. ”

11-Distinguished Alumni Awards 2024 & 2025

SVNIT DISTINGUISHED ALUMNI AWARD 2024

RAJENDRA G. KANUNGO

CIVIL ENGINEER | INFRASTRUCTURE LEADER | NATION BUILDER

“Engineering Excellence in Service of Development, Heritage, and Nation Building.”

VISIONARY LEADER

Led and delivered critical national infrastructure projects

TECHNICAL EXPERT

Specialist in dam engineering, hydro-mechanical systems and water resources

PUBLIC SERVANT

Over 32 years of dedicated service in Government of Gujarat

HERITAGE PRESERVER

Champion for water conservation and heritage restoration

MENTOR & GUIDE

Inspiring and guiding young engineers and future leaders

EDUCATION & ACADEMIA

B.E. Civil Engineering – SVNIT

M.E. Structural Engineering – SVNIT

Former Lecturer, Applied Mechanics Department, SVNIT

Mentor and Guide to Young Engineers

PROFESSIONAL JOURNEY

1991
Assistant Engineer,
Gujarat Government

RURAL INFRASTRUCTURE DEVELOPMENT
• Roads • Culverts
• Water Supply Systems
• Elevated Water Tanks

SUPERINTENDING ENGINEER
Vadodra Irrigation Circle

ENGINEER IN-CHARGE
Sardar Sarovar Dam

CHIEF ENGINEER
Statue of Unity Authority

LANDMARK CONTRIBUTIONS

SARDAR SAROVAR DAM

- Installed 30 Radial Gates
- Completed ahead of schedule
- Contributed to historic 2017 inauguration

STATUE OF UNITY

- Engineer In-Charge from concept to completion

EKTANAGAR DEVELOPMENT

- Garudeshwar Weir
- Gora High-Level Bridge
- Ekta Cruise
- Ekta Auditorium
- Jungle Safari

WATER & HERITAGE CONSERVATION

MONITORING
of 8 Dams & Mahi Weir

CONSTRUCTION OF
• 150 Major Check Dams
• 700 Minor Check Dams

RESTORATION OF
250 Heritage Vavs (Stepwells)

LEADERSHIP & IMPACT

✓ 32+ Years of Distinguished Service

✓ Chief Engineer, Dam & Vadodra, Ektanagar

✓ Extended Service after Retirement by Government of Gujarat

✓ Mentor in Dam Safety & Hydro-Mechanical Systems

✓ Instrumental in delivering projects that transformed lives and strengthened Gujarat's infrastructure

11-Distinguished Alumni Awards 2024 & 2025

SVNIT DISTINGUISHED ALUMNI AWARD - 2025

KRISHNA SURAJ MORAJE

BUSINESS LEADER | INVESTOR |
SOCIAL IMPACT ENTREPRENEUR

“Building organizations, creating opportunities, and driving social mobility.”

CROSS-SECTOR LEADER

Spanning Consulting, Business, Social Impact & Sustainability

TRANSFORMER

Led large-scale transformations across industries and geographies

IMPACT CREATOR

Building initiatives that drive economic mobility and environmental restoration

GLOBAL PERSPECTIVE

Experience across Africa, Asia and global leadership platforms

CAREER JOURNEY

EDUCATION

Gold Medalist in Electrical Engineering from the National Institute of Technology, Surat (SVNIT)

IIM AHMEDABAD

MBA from the Indian Institute of Management, Ahmedabad

McKINSEY & COMPANY

Spent nearly two decades at McKinsey, where he played a pivotal role in establishing the Firm's Africa Tech Media and Telecom practice, and later transformed the Philippines Office as the Managing Partner.

QUESS CORP

Former CEO of Quess Corp, a USD 2 billion publicly listed business services company with over 400,000 employees. He led a holistic transformation program that scaled the organization to new heights.

FOUNDER & ENTREPRENEUR

- Founder, Eka Fellowship – India's first long-term school-to-work program focused on economic & social mobility.
- Founder, Beyond Trees – A land restoration company working towards a greener, more sustainable future.

RECOGNIZED LEADERSHIP

- ★ 400,000+ employee organization leadership experience
- ★ Pioneer in school-to-work and economic mobility initiatives
- ★ Global consulting and environment expertise
- ★ Strong advocate for environmental restoration
- ★ Inspiring leader across business and social ecosystems

KEY ACHIEVEMENTS & RECOGNITIONS

Former CEO of Quess Corp – led a USD 2 billion enterprise with 400,000+ employees.

Founder of Eka Fellowship, India's pioneering school-to-work program for economic & social mobility.

Founder of Beyond Trees, a land restoration company committed to ecological regeneration.

Gold Medalist in Electrical Engineering, NIT Surat (SVNIT).

Recipient of the IIM Ahmedabad Young Alumni Achiever Award.

Fellow of the Aspen Global Leadership Network – serves as a global moderator.

Serves on several corporate and non-profit boards.

IMPACT AREAS

EDUCATION & ECONOMIC MOBILITY

Creating pathways for meaningful careers and self-reliance.

ENVIRONMENT & SUSTAINABILITY

Restoring land, reviving ecosystems and building a sustainable future.

BUSINESS TRANSFORMATION

Driving growth, operational excellence and large-scale impact.

GLOBAL LEADERSHIP

Building and leading teams across geographies and cultures.

SOCIAL IMPACT

Creating long-term value for society and future generations.

BEYOND THE BOARDROOM

PASSIONATE GARDENER

Nature inspires clarity and creativity.

VINYL COLLECTOR

A deep love for music and timeless melodies.

COOK

Enjoys cooking and exploring new cuisines.

FAMILY MAN

Lives in Bangalore with his wife and two sons.

“Sustainable success is created when business growth

11-Distinguished Alumni Awards 2024 & 2025

SVNIT DISTINGUISHED ALUMNI AWARD - 2025

DORJE ANGCHUK

ENGINEER-IN-CHARGE
INDIAN ASTRONOMICAL OBSERVATORY (IAO), HANLE

LEADER

INNOVATOR

VISIONARY

“ Building for the stars,
working for the future of science and society. ”

ABOUT
DORJE ANGCHUK

Dorje Angchuk is Engineer-in-Charge at the Indian Astronomical Observatory (IAO), a premier high-altitude facility of the Indian Institute of Astrophysics in Hanle, Ladakh, and an Honorary Member of the International Astronomical Union. Since joining IIA in 1998, he has been at the forefront of building, operating, and sustaining one of the world's most challenging and scientifically valuable observatory sites.

CAREER JOURNEY

1998

Joined IIA in 1998. Involved in building, operating and sustaining the Hanle Dark Sky Reserve.

Since 2008

Engineer-in-Charge, IAO
Leading a globally recognized observatory at one of the highest sites in the world.

Leadership

Chair of the Local Coordination Committee
Successfully integrated scientific objectives with community participation and policy frameworks.

National Role

Key contributor to light pollution mitigation, sustainable development and environmental stewardship in Ladakh.

Outreach & Education

Astrophotographer, speaker and mentor inspiring students and the public through astronomy outreach and education.

LEADERSHIP & CONTRIBUTIONS

Evolved IAO into a globally recognized hub for multi-wavelength astronomical research.

Supported instruments, efficient operations and innovative engineering solutions for extreme remote conditions.

Implemented light pollution mitigation strategies and policy frameworks for Ladakh.

Brought global attention to India's night skies through stunning astrophotography of the Milky Way, auroras, meteor showers and airglow.

Featured in leading platforms including The New Yorker and the Astrophysical Journal; included in NCERT textbooks.

Recipient of the Astronomical Society of India's top award in the Comet NEOWISE photography competition.

KEY ACHIEVEMENTS

WORLD-CLASS
OBSERVATORY

Built and sustained one of the world's most challenging astronomical observatory sites at Hanle.

COMMUNITY & POLICY
INTEGRATION

Integrated scientific objectives with local community participation and policy frameworks.

ASTROPHOTOGRAPHY
EXCELLENCE

Global recognition for stunning imagery and contributions to public outreach.

NATIONAL & GLOBAL
RECOGNITION

Honored for outstanding contributions to astronomy, sustainability and science communication.

RECOGNITION & HONORS

- ★ Honorary Member, International Astronomical Union (IAU)
- ★ Recipient, Astronomical Society of India's Top Award (Comet NEOWISE Photography Competition)
- ★ Featured in The New Yorker and the Astrophysical Journal
- ★ Contributions included in NCERT School Textbooks
- ★ Inspiring the next generation of astronomers in India

EDUCATION

Master of Engineering (Mechanical)
Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat

Name	Dorje Angchuk
Degree Obtained from SVNIT, SURAT	Master of Engineering
Year of Passing	1997
Branch	Mechanical & Construction

“ Through the windows of Hanle, we explore the universe,
and through our efforts, we inspire a brighter tomorrow. ”

SVNIT DISTINGUISHED ALUMNI AWARD – 2025

RAJ LAKHANI

MANAGING DIRECTOR

PERI (INDIA) PVT. LIMITED

“Pioneering innovation. Building with excellence.
Leading with integrity.”

INDUSTRY PIONEER

Introduced the first System Formwork in India and built PERI India as the market leader.

LEADERSHIP EXCELLENCE

Over 40 years of experience in construction technologies worldwide.

TRANSFORMATION LEADER

Driven holistic transformation across organizations, teams and systems.

INTEGRITY & IMPACT

Believes in building capable teams, continuous learning and delivering value with integrity.

EDUCATION & EARLY JOURNEY

SVNIT SURAT

B.E. Civil Engineering, 1982 Batch
Elected as the General Secretary of the Institute.

SCHOOL OF BUSINESS MANAGEMENT, AHMEDABAD

MBA – Building a strong foundation in technical and managerial skills.

PROFESSIONAL JOURNEY

1982 – STARTED WITH ACROW (UK)

Began as a Sales Engineer in a global leader in formwork.

GREW INTO LEADERSHIP ROLES

Recognized for his dedication, technical expertise and people skills.

2006 – PIONEERED PERI INDIA

Led the inception of PERI India from the ground up. Introduced first-ever System Formwork in India and established PERI as the market leader.

40+ YEARS OF IMPACT

Extensive global exposure to construction technologies and delivery of landmark projects.

INITIATIVES & CONTRIBUTIONS

- ✓ Advisory Board Member – VDMA German Engineering Federation
- ✓ Advisory Board Member – Builders' Council of India
- ✓ Frequent speaker on formwork & scaffolding technologies
- ✓ Advocate for innovation, safety, quality and sustainable construction
- ✓ Committed to developing the next generation of industry leaders

PERSONAL PHILOSOPHY

Lead with Integrity

Build Capable Teams

Learn Continuously

Deliver Impact with Purpose

LEADERSHIP HIGHLIGHTS

Led multi-business-unit semiconductor portfolios and cross-functional teams across hardware, IoT, and emerging technology ecosystems.

Drove transformation from traditional delivery models to outcome-driven frameworks.

Strengthened strategic perspective through advanced management education at IIM Bangalore.

Built and led strategic programs delivering scalable, practical solutions that create sustained impact.

DISTINGUISHED ALUMNI AWARD – 2025

NIJEESH PADMANABHAN

Consulting Leader | Transformation Expert |
Alumnus | Mentor | Social Contributor

“ Building institutions, enabling people,
and contributing to systems that
outlast individual roles. ”

ACADEMIC DETAILS	
	Degree B.E.
	Institute SVNIT, Surat
	Branch Mechanical Engineering
	Passing Year 2010

CONSULTING LEADER
Driving transformation in
Supply Chain & Digital
Manufacturing

**TRANSFORMATION
EXPERT**
Reimagining operations
through technology,
data & engineering

ALUMNUS & MENTOR
Actively engaged in campus
initiatives, mentoring
students & faculty

SOCIAL CONTRIBUTOR
Championing education,
sustainable development
& community upliftment

PROFESSIONAL JOURNEY

DELOITTE
Director in the Consulting practice.
Specializing in Supply Chain and
Digital Manufacturing transformation.
Partnering with leading organizations
across Automotive, Metals, Chemicals,
Consumer Goods and more.

LARSEN & TOUBRO
Held key leadership roles in consulting.
Led large-scale transformation programs
across manufacturing and supply
chain domains.

TECHNOLOGY & ENGINEERING FOCUS
Works at the intersection of engineering,
operations, and emerging technologies
to deliver practical, scalable solutions
that create sustained impact.

SOCIAL IMPACT & INITIATIVES
Founder – Uplift India Movement
Focused on improving access to science
education and extracurricular development
for students in rural government schools.

COMMUNITY LEADERSHIP
Founded the JoyFest chapter in Surat (2009).
Actively supports mentorship, resources,
and opportunities for underserved
sections of society.

KEY ACHIEVEMENTS

Director at Deloitte – Consulting practice, specializing in Supply Chain and Digital Manufacturing transformation.

Led impactful engagements across Automotive, Metals, Chemicals, Consumer Goods and other industries.

Alumnus of SVNIT Surat – B.E. Mechanical Engineering (2006–2010).

Actively contributed to campus life through the Centre for Human Resource Development, editorial responsibilities, and publications like Reensaa, As We Are etc.

Worked at IIM Ahmedabad (2017–2019) on sustainable solid waste management solutions for rural communities around Vadodara.

Recipient of JoyFest Community Leadership initiative award.

IMPACT AREAS

EDUCATION

Improving access
to science education
and extracurricular
development in rural
government schools.

SUSTAINABLE DEVELOPMENT

Worked on sustainable
solid waste management
solutions for rural
communities.

INDUSTRY TRANSFORMATION

Enabling organizations
through digital, data
and engineering
excellence.

MENTORSHIP & LEADERSHIP

Mentoring students
and faculty to foster
innovation and
entrepreneurial thinking.

AT A GLANCE

- B.E. Mechanical Engineering, SVNIT Surat (2006–2010)
- Director – Deloitte Consulting
- Expert in Supply Chain & Digital Manufacturing Transformation
- Founder – Uplift India Movement
- Active Mentor & Alumni Contributor

CONNECTED. COMMITTED. CONTRIBUTING.

Nijeesh remains closely connected with SVNIT, strengthening industry-academia linkages, facilitating student projects, serving on committees including ASHINE and the Incubation Center, and mentoring the next generation of engineers and leaders.

PERSONAL SIDE

Passionate Gardener

Vinyl Collector

Loves to Cook

Family Man

11-Distinguished Alumni Awards 2024 & 2025

DISTINGUISHED ALUMNI AWARD - 2025

BHAIRVI KAMAT

TECHNOLOGY LEADER | ENTREPRENEUR
SOCIAL CONTRIBUTOR

Transforming Technology into Opportunity,
and Success into Social Impact.

“ True leadership is measured not only by professional success,
but by the lives we positively impact.”

EARLY LIFE & EDUCATION

Born and raised in Bodhan,
near Surat.

Graduate of SVNIT Surat
(formerly SVRCET).

Began her professional journey
in 1997 with Tata Consultancy
Services (TCS).

Worked on mission-critical
telecom systems for Nortel
Networks in India and the USA.

CAREER JOURNEY

1997

**TATA CONSULTANCY
SERVICES (TCS)**
Worked on telecom solutions
for Nortel Networks.

2000s

**LUCENT TECHNOLOGIES
USA**
Contributed to next-generation
IP-based telecom platforms.

2000s

**ARMILARE TECHNOLOGIES
USA**
Worked on Softswitch and
VoIP technologies.

Later

**MASCON/USTARCOM
INDIA**
Played key leadership roles in
delivering telecom solutions.

Later

AVAYA INDIA
Senior Technical Manager
Led cross-functional teams
delivering large-scale contact
center solutions.

2014

FOUNDED MIDASBLUE
Embarked on the journey of
entrepreneurship with a purpose.

FOUNDER & CO-CEO – MIDASBLUE

midasblue
You matter. We care.

In 2014, Bhairvi founded Midasblue,
a purpose-driven HR and technology
platform that connects talent with
opportunities in the digital age.

Bridging talent
with meaningful
opportunities

Driving business
excellence with
a people-first
approach

Leveraging
technology for
impact and
innovation

Creating value for
clients, candidates
and communities

SOCIAL IMPACT INITIATIVES

EDUCATION

Supporting underprivileged
students through
scholarship initiatives.

ENVIRONMENT

Promoting environmental
sustainability through
tree plantation drives.

ARMED FORCES

Actively contributing to the
welfare of armed forces
personnel and their families.

Recognized in the book "The Force Behind the Forces."

SVNIT ALUMNI LEADERSHIP

- ✓ Active role in strengthening alumni engagement.
- ✓ Facilitated campus recruitment and student placements.
- ✓ Organized alumni reunions and networking initiatives.
- ✓ Mentoring students and young professionals.
- ✓ Welfare initiatives for alumni and their families.

RECOGNITION & ACCOLADES

Featured in
"The Force Behind the Forces."

Founder & Co-CEO,
Midasblue

Respected Technology Leader
and Community Contributor

Bhairvi Kamat's journey exemplifies **purpose-driven leadership**—
combining **technological excellence**, **entrepreneurial vision**,
and a deep commitment to **societal good**.

11-Distinguished Alumni Awards 2024 & 2025

SVNIT DISTINGUISHED ALUMNI AWARD 2025

POONAM GUPTA

Semiconductor Leader | Strategist | Ecosystem Builder
VLSI Design | Product Engineering | Deep-Tech Entrepreneur

“Driving transformation in the semiconductor ecosystem through leadership, innovation, and purpose.”

SEMICONDUCTOR LEADER
20+ years in VLSI design, product engineering & deep-tech

STRATEGIC LEADER
Led multi-business-unit teams across global semiconductor firms

INNOVATOR
Building solutions that reduce dependency on critical technologies

ECOSYSTEM BUILDER
Championing initiatives for indigenous capability & self-reliance

WOMEN IN TECH ADVOCATE
Mentoring & enabling leaders in high-impact sectors

EDUCATION & EARLY JOURNEY

Electronics Engineering, 2000
Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat
Her formative years at SVNIT were marked by curiosity, perseverance, and a passion for VLSI—laying the foundation for a career driven by technical excellence and national purpose.

PROFESSIONAL JOURNEY

Synopsys, AMD, KPIT Cummins, And Wipro
Led leadership roles across global semiconductor organisations. Managed cross-functional teams in hardware, IP, and emerging technology ecosystems.

Leadership & Transformation
Drove multi-business-unit semiconductor portfolios, led strategy, operations & engineering teams, and transitioned from traditional delivery models to outcome-driven frameworks.

Advanced Management Education
Strengthened strategic perspective through advanced management education at IIM Bangalore.

VayuLink Semiconductor
Founder & Ecosystem Builder
Established VayuLink Semiconductor to advance indigenous semiconductor capabilities for strategic sectors. Building high-speed solutions, secure hardware accelerators & FPGA prototyping platforms.

Ecosystem Initiatives
Founder Circle – IndiChip
Collaborative platform supporting indigenous semiconductor & deep-tech innovators.

Swaraj Silicon
Knowledge initiative focused on semiconductor strategy, innovation, technology, self-reliance and policy advocacy.

KEY ACHIEVEMENTS

20+ years of experience in VLSI design, semiconductor product engineering, and deep-tech leadership.

Led strategic programs and multi-business-unit portfolios across hardware, IoT and emerging technology domains.

Built and led transformation from traditional delivery models to outcome-driven frameworks across global organizations.

Strengthened management education at IIM Bangalore.

Founder of VayuLink Semiconductor – advancing indigenous semiconductor capabilities for strategic sectors.

Founder Circle, IndiChip – building a collaborative ecosystem for deep-tech innovation.

Founded Swaraj Silicon – driving discussions around semiconductor policy, self-reliance, R&D investment and long-term strategy.

Active participant in state-level expert panels for deep-tech and semiconductor innovation.

IMPACT AREAS

DEEP-TECH INNOVATION

Building high-speed solutions, secure hardware & FPGA prototyping platforms.

INDIGENOUS CAPABILITY

Promoting self-reliance in semiconductor technology and critical systems.

WOMEN IN TECHNOLOGY

Mentoring women engineers and enabling leadership pathways in high-impact sectors.

ECOSYSTEM BUILDING

Creating collaborative platforms that unite industry, academia and startups.

NATIONAL IMPACT

Contributing to India's technology sovereignty and global leadership in semiconductors.

RECOGNITION & CONTRIBUTIONS

- ✓ Recognized leader in global semiconductor organizations
- ✓ Champion of indigenous semiconductor ecosystem
- ✓ Advocate for sustainable technology and policy reforms
- ✓ Strong contributor to academic, industry & policy dialogues
- ✓ Committed to next generation of engineers & innovators

A PURPOSE-DRIVEN LEADER

Poonam Gupta continues to inspire by championing technology leadership, ecosystem building, and advocacy for women in deep-tech—paving the way for a future-ready and self-reliant India.

From the Halls of SVNIT to the Heights of Humanity

A Poem for the SVNIT Alumni Newsletter – August 2026

Where dreams were born in classrooms bright,
And minds were shaped to seek the light,
SVNIT became the guiding flame,
Where passion found its lasting name.

From every lab and lecture hall,
Rose fearless hearts to answer the call;
To build, invent, inspire, and lead,
Transforming every thought to deed.

Some penned verses that touched the soul,
Some wrote stories that made us whole;
Some earned honours across the land,
Leaving excellence close at hand.

Success is never wealth alone,
But every life by kindness grown;
The greatest victory we can claim
Is serving others without seeking fame.

Let knowledge bloom with purpose true,
Let innovation shine through you;
With courage, character, and vision clear,
Create a brighter future year by year.

No matter where our journeys roam,
SVNIT will remain our home;
A timeless bond, a sacred thread,
By wisdom, values, and dreams we're led.

So, let your achievements proudly rise,
Like stars that illuminate the skies;
For every milestone, every start,
Begins with a determined heart.

To every SVNIT alumnus—
Keep learning, keep leading, keep inspiring.
For the greatest legacy is not what we achieve,
But the hope, knowledge, and humanity we leave behind.

मेरे देखे सरदार साहब। :

जी हां! मैं बात कर रहा सरदार पटेल साहब की, भारत के पहले गृहमंत्री, The only "Loh Purush" of India.
जी हां! आपको शायद यह जानकर आश्चर्य होगा। कोई आपमें यह सवाल भी पूछ सकता है, " भैया, क्या आज सुबह सुबह तो नहीं चढा ली! तो आपको यह जानकारी दे दूँ कि मैं पीता नहीं और बात मेरे कॉलेज कैम्पस की है मतलब मेरा एस वी आर और आज का एस वी एन आय टी सूरत का कैम्पस।

जी हां! सूरत याने कि गुजरात में होने के कारण ना उस समय और ना आज गुजरात में पीने पाने की सुविधा है। धन्यवाद गांधी जी को भी और नव गुजरात के निर्माताओं को भी।

बात फिर वह आती है कि जब सरदार साहब 1950 में स्वर्ग सिधार गए तो फिर मेरे देखने का सवाल कहां उठता है क्योंकि मैं स्वयं 1955 में अस्तित्व में आया और कैम्पस से मेरा परिचय हुआ 1974 में।

बात फिर वहीं आती है कि मैंने कैसे देखा सरदार साहब को?

तो आपको बता दूँ कि मेरे द्वितीय वर्ष की शुरुआत ही हुई थी। पहले वर्ष के नतीजे आ चुके थे। सत्र की शुरुआत हुई ही थी और मैं अपने एक मित्र के घर खाना खाने और गपशप के लिए रुक गया था। उसके पिताजी फॉरेस्ट विभाग में कन्झर्वेटर थे और इसी कारण से चौपाटी पर उनका एक सरकारी बंगला हुआ करता था।

रात को रेल्वेस्टेशन से एक आखरी बस निकला करती थी जो एस वी आर कैम्पस 12.35 से 12.40 पहुंचा करती थी। मैं यह तो नहीं बता सकता कि यह हमारे छात्र भाइयों को फिल्म का आखरी शो देखने की सुविधा होती थी या यह पहले से चली आ रही नियम का हिस्सा थी, परंतु एक बात निश्चित कि इस बस को पकड़ने के लिए हमें कुछ मिनटों की फिल्म छोड़ना पड़ती थी।

खैर! उस दिन प्रकाश के घर से निकला तो जरूर परंतु यही आखरी बस पकड़ने से चूक गया। प्रकाश ने कहा भी, " छोड़ दूँ?" मैंने ही मना कर दिया इसलिए कि मैं चौपाटी से अपने छात्रावास पैदल जाना चाहता था और यह बात कोई अनैसर्गिक भी नहीं थी इसलिए की चौपाटी से छात्रावास पांच छः किमी पैदल चल कर जाना जवानी के पाठ्यक्रम का हिस्सा थी।

कैम्पस पार करने में जो सबसे बड़ा मानसिक डर हुआ करता था वहां, जहां कैम्पस के नज़दीक पारसियों के तीन अंत्यविधि के कुएं हुआ करते थे।

अभी तो मैं कैम्पस के निकट ही पहुंचा ही था और वह जगह जहां पारसियों के अंत्यविधि के टावर्स थे, काफी दूर थी और इसीलिए मेरी चिंता भी अभी दूर थी। एक विचार यह भी था कि किसी तरह मैं उस जगह अभी और थोड़ी देरी से पहुंचूं।

उस समय गेट हुआ तो करता था, परंतु गेट का कोई महत्व नहीं था और अक्सर खुला ही रहता था, आज जो विशेष सिक्कुरिटी है, ऐसा कुछ नहीं था।

गेट लांघते ही एक सरदार साहब का स्टेच्यू है जो सरदार साहब की याद दिलाता है, पता नहीं, मुझे ही दिलाता है, मुझे तो आज भी दिलाता है और जितना मुझे कैम्पस याद नहीं दिलाता, उससे ज्यादा मैं सरदार साहब के व्यक्तित्व से प्रभावित हूँ इसलिए मैं जब भी उस पुतले के पास से गुजरता था, दोनों हाथ जोड़कर एक बार सरदार साहब को प्रणाम कर आगे बढ़ता था।

उस दिन भी कुछ ऐसा ही हुआ, रास्ते से थोड़ा हटकर बने उस स्टेच्यू को प्रणाम करने के लिए मैंने जैसे ही नज़रे घुमाई, मैं थोड़ा आश्चर्य चकित हुआ इसलिए कि उसी स्टेच्यू के नीचे मैंने पीठ टिकाएं और पैर फैलाएं एक वृद्ध सज्जन को देखा और उन्हें भी प्रणाम किया। उन्होंने अपने नीचे एक गमछा फैलाकर रखा था। जवाब में उन्होंने मुझे आशिर्वाद की मुद्रा में हाथ दिखाया और जिज्ञासावश मेरे कदम उस ओर मुड़ गए। ऐसा इसलिए भी हुआ कि रात के करीब 1 , सवा बजे उन वृद्ध सज्जन का वहां बैठना अप्रासंगिक लगा और एक विचार कि इन्हें कोई परेशानी तो नहीं, मैं उनके समक्ष जाकर खड़ा हो गया।

उन्हें फिर मैंने कहा,

" राम राम दादा, केम छो?"

दरअसल एस वी आर में आकर जितनी भी गुजराती मैं सीखा था, वह इतनी ही थी, " केम छो?" वह आगे यदि गुजराती में शुरू हो जाते तो हारकर मुझे हिंदी पर ही उतरना पड़ता। परंतु वह शायद जानते थे मेरी गुजराती भाषा की सीमाएं इसलिए उन्होंने हिंदी में ही जवाब देना उचित समझा, बोले, " अच्छा हूं। "

उनकी हिंदी पर पकड़ देखकर या यूँ कह लीजिए कि " केम छो " से ज्यादा गुजराती का ना आना, मैं हिंदी में ही शुरू हुआ और पूछा,
" फिर यहां इतनी रात को?"

उन्होंने फिर दोहराया,

" अच्छा हूं!" परंतु एक व्यंगात्मक मुस्कुराहट के साथ बोले,

" इस उम्र में ज्यादा नींद नहीं आती और चिंता तो रहती ही है। "

" आपको किस बात की चिंता?"

मैंने पूछा।

उन्होंने फिर कहा," चिंता तो रहती है। "

अब मैं उनका चेहरा गौर से देख रहा था, धूप में झुलसा हुआ सावला चहरा, दाढ़ी रात में भी बनी हुई और पास ही स्ट्रीट लाइट से आने वाले प्रकाश से चेहरा चमक रहा था।

खादी का कुर्ता और धोती, एकदम स्वच्छ, बिल्कुल स्टार्च वाली नहीं, इस्त्री वाली भी नहीं परंतु एकदम धोकर आने वाली सलवटे भी नहीं, सर पर बाल ना के बराबर, बड़ी नाक और चौड़े नथुने, मुझे पता नहीं ऐसा लग रहा था, इस व्यक्तित्व का इस समय यहां होना बिल्कुल अप्रासंगिक। परंतु एक अनोखा आकर्षण।

" बैठ जाओ। " उन्होंने एक अधिकारिक स्वर में कहा और फिर स्वयं यह भी सोचा कि इसे बैठने के लिए क्या दूँ, खुद से कहा,

" पंचा तो मैंने अपने लिए बिछा लिया है। "

13-Alumni Articles

मैंने कहा, " कोई बात नहीं। " मैं भी वह पारसियों की अंतिम क्रिया वाली जगह से चार बजे के पहले निकलना नहीं चाहता था, इसलिए बैठ गया। मुझे बैठा देख वे फिर मुस्कराए और गले से निराशाजनक " हूं हूं " का उद्गार निकाला।

बैठते ही मैंने कहा, " क्या बात है, आप कुछ निराश लग रहे हैं?" मेरे स्वर में एक प्रश्न चिह्न था। परंतु मेरी बात का जवाब देने के बजाय उन्होंने ही सवाल किया, " किस राज्य से हो?"

मैंने कहा, " इंदौर, मध्यप्रदेश से।"

" ओहो! माता अहिल्याबाई की जन्मस्थली?" उन्होंने पूछा नहीं अपितु कहा और अपने कुर्ते की जेब से एक स्वच्छ रुमाल निकालकर अपने ओंठ पोंछे।

" आपस में किसी से कोई झगड़ा वगड़ा करते हो कि नहीं?" उनके सवाल ने मुझे आश्चर्य में डाल दिया कि "दहा" को छात्रों के विवाद की भली-भांति जानकारी है और सुर फिर वही व्यंगात्मक।

मैंने कहा, " नहीं, कोई नहीं!"

" और मैं हूं मध्यप्रदेश से, जो किसीका नहीं और सभी का है। " मैं भी अब दहा से चर्चा के मूड़ में आ गया था और कारण वही था,

" पारसियों की अंतिम क्रिया स्थल से चार बजे के पहले ना गुजरूं।

मैंने घड़ी देखी, पौने तीन बज रहा था और मुझे सवा घंटे दहा को बातचीत में लगाना था और यह डर भी था कि दहा बीच में ही ना कह दे कि,

" अच्छा! बाय!" परंतु मेरी चिंता का समाधान भी हो गया, दहा ने खुद ही प्रश्न किया,

" छात्रों में झगड़े बहुत होते हैं?" मैंने कहा, " होते थे; परंतु अब नहीं!"

" क्यों ? तुम्हारे आने से कुछ फर्क पड़ा?" उन्होंने व्यंग किया परंतु उन्होंने किसी दाद की अपेक्षा नहीं की। उनकी नज़रे कैम्पस के गेट की ही तरफ थी। उधर देखते हुए ही उन्होंने फिर कहा,

" झगड़े होना चाहिए, यह तरुणाई का प्रतीक है परंतु राज्यवार नहीं। क्यों?"

अब उन्होंने जरूर मेरे से दाद की अपेक्षा की और मेरी तरफ देखते हुए अपना चेहरा उठाते हुए अपनी दोनों घनी भवें भी ऊपर उठाई।

जवाब में मैंने भी दोहराया, राज्य तो केवल प्रशासनिक सुविधा के लिए है बाकि हम तो सभी भारतीय हैं।

" बहुत नेक खयालात है तुम्हारे, अच्छा अब निकलो, सुबह उठना भी होगा। " उन्होंने कहा।

मैं भी उठ खड़ा हुआ, अपनी पैट झटकारने के बाद उनके पैर छूने का प्रयास भी किया परंतु "नहीं नहीं" कहते हुए उन्होंने अपने पैर अपने पास खींच लिए। मैंने समय देखा, 3.20 का समय हो रहा था और मुझे हिम्मत जुटानी थी वही पारसियों के अंतिम संस्कार की जगह से निकलने के लिए परंतु मां का वह वाक्य याद आया कि यह शक्तियां तीन बजे बाद प्रभावित नहीं करती।

दस कदम चलकर फिर मुड़ के देखा तो दहा कहीं नहीं थे। मेरे दस कदम के समय में तो दहा सिर्फ उठकर खड़े हो सकते थे या फिर मेन गेट के पहले तो दिखते ही, परंतु दिखे कहीं नहीं!

क्या सरदार साहब तो नहीं थे जो देश के एकीकरण का संदेश देने आए थे। पता नहीं। मेरे शरीर का रोम रोम खड़ा था जिसे हम अंग्रेजी में goosebumps कहते हैं, किसके साथ मैं अपना रात का करीब एक घंटा व्यतीत करके आ रहा हूं, यह सोचकर।

कोई मानता है कोई नहीं! कोई अंधविश्वास फैलाने का विचार नहीं परंतु ऐसी ही घटना मेरे साथ अमरकंटक में हो चुकी है। नर्मदा मैया के उद्गम पर एक बहुत अलौकिक ब्रह्मचारी व्यक्तित्व के दर्शन हुए। असामान्य ऊंचाई और भुजाएं, एकदम काली जटाएं और काली दाढ़ी, नीचे से ऊपर तक एक ही सफेद धोती में अपने को लपेटे हुए। मैं दर्शन के लिए जा रहा था और वे आ रहे थे, हाथ में पीतल का चमकता कमंडल।

मैं, उन्हें देखते देखते जैसे ही आगे बढ़ा, एक विचार आया कहीं यह "चिरंजीव परशुराम " तो नहीं, मैंने पुष्टी करने के लिए फिर मुड़कर देखा और कोई नहीं, कहीं नहीं!

इस प्रकार की घटना पहलीबार नहीं हुई मेरे साथ। बचपन की घटना याद आती है। मैं अपनी मां, चाची और चचेरे भाई के साथ शेगाव, महाराष्ट्र, जो प्रसिद्ध है प.पू. संत गजानन महाराज के लिए, गया था।

समाधी के दर्शन के बाद मैं और मेरा चचेरा भाई संजू और पीछे से मेरी मां और चाची एक तालाब के किनारे किनारे चले जा रहे थे। हम दोनों आगे आगे और पीछे से मां और चाची। मैं, संजू को सिखा रहा था कि पानी की सतह पर पत्थर कैसा फेंका जाए कि एक से ज्यादा टप्पे खा जाए। इतने में मेरी पीठपर एक धप्प से हाथ पड़ा जो मेरी मां का था इस आवाज के साथ, " सांगतेय मेल्याला दगड फेकू नकोस म्हणून। "

मैं पीड़ित उस हाथ के फटकार से उतने में एक आवाज सुनने में आई,

" नको मारूस गं माय त्याला!"

उस आवाज की दिशा में हम चारों ने देखा तो दिखा कि एक भिखारी मेरी मां को मुझे ना मारने की याचना कर रहा था।

मेरी मां मेरी धुलाई करने से तो रुक गई और मुझे कहा, " देख तुझे आज गजानन महाराज ने बचाया। "

मां की बात सुनकर मैंने फिर मुड़कर देखा कि देख लूं गजानन महाराज कैसे दिखते हैं! और देखता हूं कि वहां कोई नहीं।

मैंने फिर मां से कहा, " बाई, तिथे तर कुणीच नाही!"

" मग तर ते नक्कीच गजानन महाराज होते। " मेरी मां ने कहा।

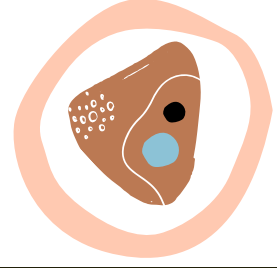

मेरा कोई विचार नहीं कि मैं अपनी बात को सिद्ध करने का प्रयास करूं, ना हि यह प्रयास है कि लोगों को अंधविश्वास की ओर धकेलूं, इसे आप एक स्मृति और अनुभव से ज्यादा कुछ ना समझो। बस! इस विनंती के साथ।

The eve was sat in the field
Knew not, as of what it was to yield
The globe had no intention
To settle or ever stay for attention
But the earth couldn't resist, to touch the sky
With trees and birds to swing and fly
The dance of birds caught hold of me
Like whirl in a pond or swarm of bees
The swirl they did, did make me look,
For synch so apt, of what it took.
The field got small for this cosmos
Till time I took to look with a pause
On a mighty bird with a vow to fly
And merge himself in the saffron sky.

सामाजिक जानवर

(मासूम बच्चियों पर हो रहे शारीरिक और मानसिक शोषण से व्यथित मन की समाज और न्याय व्यवस्था से गुहार)

बचपन में पढ़ा था मैंने कि... मनुष्यों के समूह को हम समाज कहते हैं।
आज दुख है मुझे इस बात का... कि हम भी इसी समाज में रहते हैं।
कितना खुश नसीब है वो जानवर भी... जो जंगल में सिर्फ अपने प्राणों की रक्षा करता है।
पर इस समाज में एक मनुष्य दूसरे के, प्राणों के साथ उसकी आत्मा का भी भक्षण करता है।
रूह का पंजाती है जिस कृत्य को सुनने मात्र से...
कैसे एक मासूम उसको जीते जी सहन करता है।
एक नन्ही सी कली जिसे शरीर का मतलब भी नहीं पता.... वो अपने शरीर को क्षत-विक्षत होते देखती है।
मृत्यु तो शायद मुक्ति हो उसके लिये.. पर मौत से पहले जाने वो कितनी बार मरती है।
हे कुर्सी पर बैठे न्याय... महसूस कर पराकाष्ठा उस दर्द की।
जिसे भोगने के बाद मुक्ति मिली उस मासूम को इस समाज रूपी नर्क की।
उठा कलम और लिख दे एक ऐतिहासिक फैसला.. जो लिखान हो किसी कानून की किताब में।
कोख में बैठी बच्ची भी पूछ रही तुझसे... क्यों आऊँ मैं तेरे इस समाज में।
हे न्यायाधीश बस एक कोशिश कर लो.. और बदल दो इस न्याय की व्यवस्था को।
इस बार दे दो आहूति संविधान की.. इंसानियत की रक्षा को।
और अगर नहीं कर सकते... तो तुम इंसान कहलाना छोड़ दो।
लिख वादो किताबों में जंगल इस समाज को... और इंसानों का जानवरों से रिश्ता जोड़ दो।

मंजिल नई है, रास्ते हैं अपने
हमने सजाए थे, जो होंगे पूरे सारे सपने
झूमेगी धरती, झूमेगा अंबर, झूमेगा सारा जहां
ऐसी दुनिया बनाएंगे हम, झूमेगा सारा जहां
तो क्यों हम डरें, तो क्यों न करें (2)
जब करना हमें है दिल से दिल का स्पर्श
यारो बस करना हमें है दिल से
दिल का स्पर्श

अपने हाथों में है अपनी ही तकदीर
बदल के रख देंगे हम सारे जमाने की तस्वीर
कोई आँधी, कोई तुफान या आंधी शैतान
हम न झुकेंगे, हम न रुकेंगे हमएसे इंसान
हमने जो ठाना है, हमने जो माना है (2)
बस करके रहेंगे हम दिल से दिल का स्पर्श
यारो बस करना हमें है दिल से
दिल का स्पर्श

जीवन की इस भीड़ में हमको आगे ही बस बढ़ना है
तारों की दुनिया से भी आगे हमको बढ़ना है

प्यार से जीतेंगे हर दिल हर धड़कन की आशाएं हम
फूलों से भी, तारों से भी, प्यारा होगा अपना चमन

समय की यह घड़ी, जो जोड़े दिल की कड़ी
कहती है करलो बस दिल से दिल का स्पर्श
यारो बस करलो तुम दिल से दिल का स्पर्श

[महकी फिजाएं हैं, महकी हवाएं भी कहती हैं
करलो बस दिल से दिल का स्पर्श]

दिल का स्पर्श, दिल का स्पर्श]

Looking Back

Kushal Roy,

I vividly recall the day. It was sometime in July 1979. I had finished my Class 12th Board Exams. I was at home alone at around 1PM when the Postman came with a Telegram. When I opened the Telegram and went through the contents my joy knew no bounds. The telegram was from the Registrar of SVRECT informing that I have got admission in Mechanical engineering. That started my tryst with SVR as we would fondly call our college.

So there I was, a seventeen year old boy from the far north eastern town of Agartala traversing the entire cross section of the country and joining an engineering college in the extreme West of the country. It was almost like landing in an alien country abroad as I stepped out of the Howrah- Amdavad Express at Surat– half nervous, half excited and mighty sad for having to leave my known surroundings, my home, my family for the first time in life.

A typical monsoon weather greeted us adding to my homesickness as our autorickshaw waded through almost waist deep water into the Administrative Block of the college campus at Ichhanath. After finishing the necessary formalities I made my way to the hostel for the first time, totally drenched, with a huge holdall and trunk. I met another nervous boy, Ravi Prabhakar who would be my room partner. We tried settling down for the night but it was not so easy. Both of us kept on missing our known surroundings and roots which we had to leave to fulfil our dream of becoming an engineer.

The initial month was tough as we felt sleepy in the class as we would have very late nights getting “introduced” to the seniors. We had to address our seniors as “Sir”. Then came the evening when the 2nd year seniors gave a welcome party to us the 1st year boys. It was such a memorable evening. I recall presenting a couple of songs. We were pampered by the seniors and we really felt at home and went back to our hostel very happy. It felt like we had finally settled down in the new surroundings and we “belonged” to that place. We got baptised by the roar of “IchhanathMahadevki jay” .

With the Welcome party being over we had the liberty of starting to go to “Chowpatty” where we would spend most of the evenings of our four years stay in Surat. There used to be a State Transport bus which would start from South Gujarat University and go right through our campus to Chowpatty and beyond and we would all pile up on that bus and take great pride in travelling “ticketless”. Now that our hair lines have receded we realise how childish those acts were ! But then, those were the small things which added to the flavor of our life at that time.

Surat could boast about very beautiful Cinema halls and many an afternoon were spent there watching movies by bunking classes. There had been occasions where we had seen back to back movies starting from the morning and ending in the evening.

The food in the hostel was nothing much to yearn for and on Sunday evenings we would invariably go to the Railway station Refreshment Room to have non-vegetarian thali (because that was all that we could afford at that time as we all had limited money with us). Later on as we became seniors in the college we would graduate to “Sher e Punjab” and still later on to “Kwality” restaurant. I do not know if these restaurants are still there. On this I recall there used to be a Mysore Café at Chowpatty where we would have delicious South Indian fare.

I was a very homesick boy. We could not even imagine of making any phone calls to our home during those days. Only mode of communication was letters. My father had told me that whenever I would feel homesick I should write a letter to my mother as if I am talking to her. And that was what I would do. My parents too would write letters to me every second day to keep me charged up and happy. The other boys would be envious of me as the Postman would always have a letter for me almost every day.

I was socio-culturally quite active in our College. I would take part in Quiz contests, debates, public speaking etc. and also sing a little. The College Annual day functions would bring in much joy to us as we would spend days practising the songs we would sing. The College had it's own home grown Orchestra.

We had a Cine club and movies would be shown in the college lawn every Saturday night. It was great fun. We would stop the 16 MM projector and repeat the songs and scenes which we would like to see again.

Once during our tenure there was a disaster in a Textile mill (Shantinath Textile mill) where the building had collapsed and many workers got trapped and died. We all took part in the rescue operations and earned a good name for the college and redeemed ourselves from the image of being “very notorious engineering college boys”.

Being in SVR for four years helped us to strengthen our sense of nationalism as we had boys and girls from Kashmir to Kanyakumari and the college represented a mini India. We spoke one language - the language of friendship and camaraderie. It laid the foundation for us to face the world confidently, to work as a team, to develop fellow feelings, to respect every language !

How time flew and we completed our graduation. One fine morning the day finally came to bid adieu to Surat and our beloved college. As the train chugged out of Surat railway station towards Kolkata I felt like singing.....hum lautayenge....tum yuhibulaterahena.....

धरती माँ की ममताभरी नम गोद में आकर
 पिता सूर्य का उष्ण प्यार पीकर
 फटा एक बीज
 और पौधा बन गया ।
 नहीं कोंपलों की बाहें फैलाए
 बढ़ चला आसमां पर नजरें जमाए ।
 अविवेकी नादान
 बेसब्र अधीर हो बोल उठा
 .. छोड़ मुझे ए माँ
 अपने प्रेम की माटी हटा ।
 जा चूमना है मुझे वो आसमान
 दम घुटता है तेरी गोद में
 बनना है मुझे महान ।
 पुत्र की कृतघ्नता पर पिता सूर्य तमतमाया
 पर धीरोदात्त माँ धरती ने उसे समझाया
 .. तेरी हर ऊँचाई मेरी गोद से निकलती है
 बिना आधार कहां ऊँचाई मिलती है?
 नादान पौधा भरमाया
 न माना
 छिटककर धरती की गोद से बाहर आया ।
 फिर बस कुछ पल
 और सब खात्म ।
 वही सूर्य जिसने माँ की गोद से जुड़े असंख्य पुत्र पाले
 धरती छोड़ी तो पल में जला डाले ।
 अपनी धरती अपना राष्ट्र
 अपनी सभ्यता अपनी संस्कृति
 हम जब भी भूलें
 समूल नष्ट हो जाएंगे
 ये कभी न भूलें !!

જીભ નો ડાઘ લો શાહદ અને સ્વાદ,
 જેને જો શાલે આવજા તો કશો ભયભૂમણ અનેત,
 ચાલે સવજા તો આવે ભયભૂમણ નો અંત.

ડેવી રીતે ચાલે સવજા?

પહેલી કરીએ પ્રભુ ભડિત,
 કરીએ પર-નિદા નો ત્યાગ,
 ધાઘ નો પ્રશસ્તિ અન્યની કરીએ,
 નથી તો દરીએ મૌન.

બીજી મળે જે ભીજન,
 લેખા શાહશી અને ફાવશી નો રાખીએ ભાવ,
 ખાઈએ દોહુ-મોહુ અને રણવુ,
 લેધી મન બન દોહુ-મોહુ ને રણવુ
 લેખાવી ધાશી શુદ્ધ આત્મ "નિનાદ"

WHAT CAN I DO FOR MY ALMA MATER

- › Spare your time, experience in delivering Expert talk, seminars, sharing your knowledge.
- › Spread the alumni contacts and alumni network
- › Give your feed back or input improving our curriculum, alumni website, alumni activities.
- › Join our LinkedIn group—SVNIT Alumni Affairs--- for latest upgrades.
- › Follow our Mediacell pages for Institute activities.
- › Join Almaconnect from the website of SVNIT/Alumni
- › Provide mentorship to the current students.
- › Bring the endowments for the institute so that we can help financially weak/PW students, research etc.
- › Donate individually or in group.
- › Help getting CSR fund.

Read,
Engage, &
Reconnect
with your alma mater.
