The Souvenir 2016  
14<sup>th</sup> Annual Convention

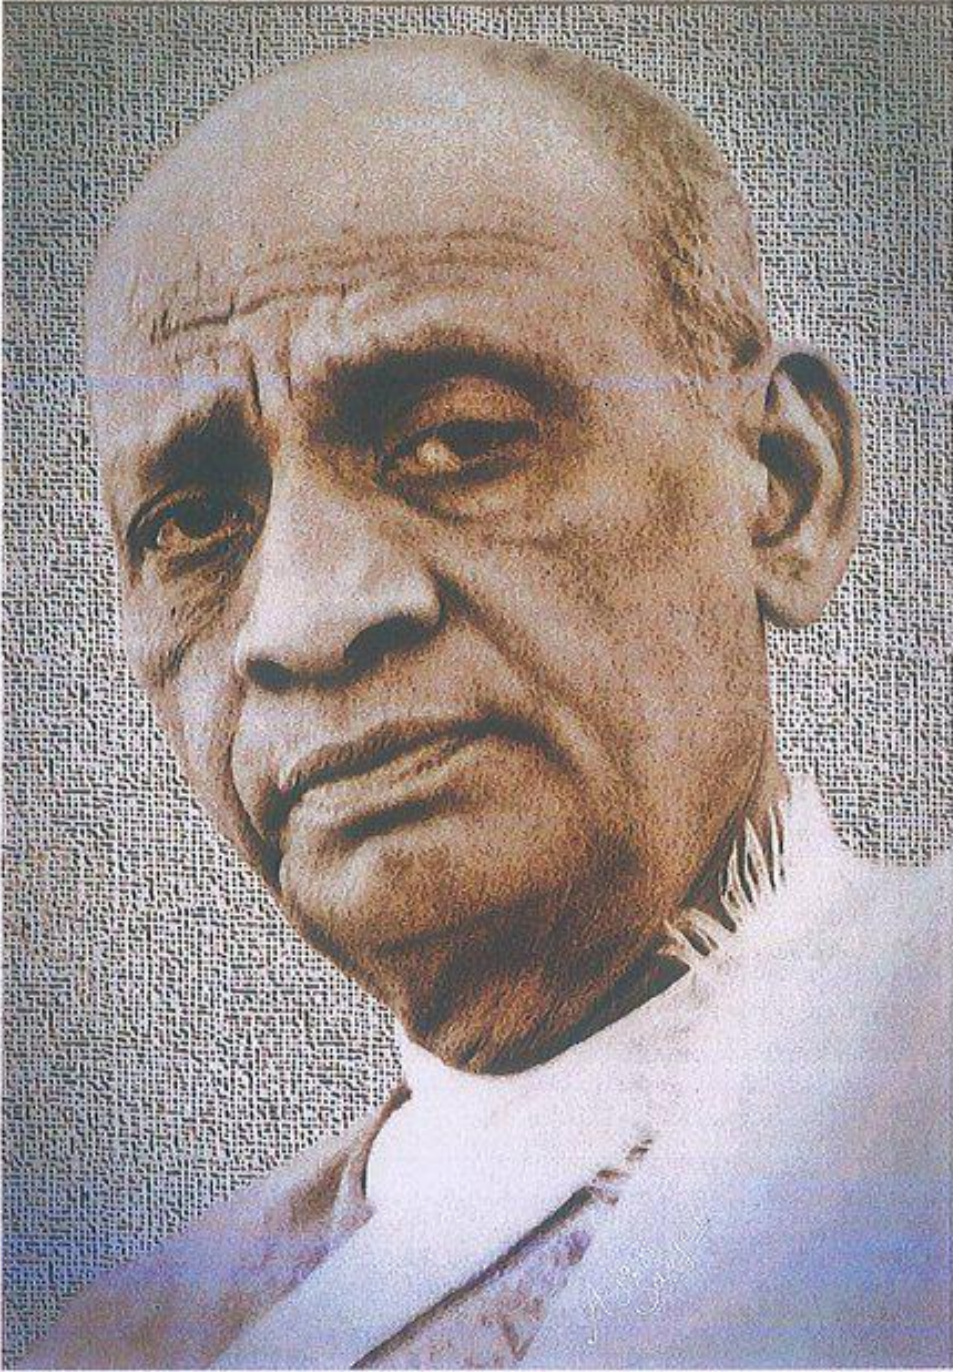

एक कदम स्वच्छता की ओर....

**SVNIT ALUMNI ASSOCIATION**

S.V. NATIONAL INSTITUTE OF TECHNOLOGY, SURAT.

Vallabhbhai Patel

**Dr. Sudhir K. Jain**

Director (SVNIT)

Chairman (SVNITAA)

It gives me great pleasure to welcome you all to the 14th General Convention of SVNIT Alumni Association.

The success of any institution lies in the rich legacy that the alumni body represents. Our alumni are our eyes, ears and hands that have helped this institution reach to the peak of its meritorious standard. A good Alumni Relations Program should be symbiotic; SVNIT stands to provide full institutional strength to its alumni network but also seeks in return multipronged support from its alumni body.

I believe that no one knows our institution better than our alumni and this accentuates their responsibility towards the institute. We have always encouraged our alumni body to have a high level of involvement in the institution building activities of SVNIT. Our alumni can contribute as student mentors, recruiters of future students and in supporting research activities. The more our alumni body gives to the Institute, the richer the alumni network will become.

I take this opportunity to express the Institute's gratitude to the alumni network for their support, guidance and loyalty.

9<sup>th</sup> Jan 2016

Dear Alumni

Welcome on this brilliant day to the 14<sup>th</sup> Annual Convention 2016. This is a reunion of the members of the SVRCET/SVNIT family a community of stakeholders and alumni a critical part of this community.

We help shape our society in our own, unique and meaningful ways. From the moment we enrolled as a SVRCET/SVNIT student, we became part of our community and we remain so today. We now have even more crucial role to play as we move on in life in continuing pursuit of our aspirations.

We are the valued stakeholders, who, by continued participation, help the students in the SVNIT community fulfill their educational mission.

All members of our community, students, faculty, staff, and alumni, have a place on the continuum linking the college to the society around us. Our primary "customers" are our present students, who first will move on to become alumni like us and who then, we hope, will continue to be our customers as well as fellow stakeholders.

Indeed, our great SVNIT can measure its worth by its alumni. Because we are already out there in the so called real world, our opinions on the changes we have experienced there, would be in- valuable to them.

Although you may not be physically located on SVNIT campus, we remain a valued part of SVNIT'S extended family. With our rich experience, we can contribute greatly to the educational experience of SVNIT students. We can bring a real-world perspective to the academic pursuits of the students and faculty.

**“Put something back in the pot for the people in line behind you.”**

Our alumni have first-hand knowledge of SVNIT from our graduation experience. We can help to mentor our students. We can act as our Colleges special ambassadors in spreading words about the exciting developments on campus. You can also make presentations to prospective students.

Alumni can provide feedback to our College. We pass our observations, comments, and suggestions. We keep in touch with the faculties, departments, where you were associated.

Our SVNIT needs our voluntary service. We can, for example, serve on advisory committees at our various faculties, departments. We can also assist as part-time teachers or tutors, or as resource or contact persons. We can assist in or lead seminars, workshops. We can also serve as assessors, judges, or examiners in various SVNIT activities.

We can assist the college in the professional enhancement or personal enrichment courses organized for fellow alumni or even current students. We can also provide leadership in various activities.

This institute—our institute—is a very, very special place. Individually, and collectively, we, as alumni, are the measure of success and the foundation of future.

Thank You.

Suresh Malik

President

S V N I T A A

*Life Time Bonding*

## From The Desk of Secretary

Er Kamal Parekh  
Hon. Secretary  
SVNIT Alumni Association

I welcome you all with a cool state of mind and a warm heart to "Home coming" our annual alumni convention "MilaaP 2016".

It gives me immense pleasure to present a secretarial report for year 2015 – a year full of brainstorming activities & events, reunions at chapters, meet for PANNIT formation at Warangal NIT as well as Kurukshetra.

At the onset, I must sincerely express my gratitude to all my alumni friends for giving me this opportunity to serve the alumni association as Hon. Secretary.

When our team took the charge of Alumni Association as office bearers in April 2014, the installation ceremony was chaired by Dr. Sudhir Jain, (Director, IIT, Gandhinagar). Coincidentally, today we have the same person - a true Leader, a compassionate friend, a true philosopher & a path-showing guide as our Director for SVNIT!

The functioning of Alumni Family Development Committee has played its role through web site [www.svnitalumni.com](http://www.svnitalumni.com) and we have more than 18500+ alumni on record and they all are connected through the string of this website all over India and Abroad.

Student Welfare Committee looks after the student's affairs. We have prepared a Needy Student Welfare Policy. It is our wish to generate more and more funds with the support of our alumni friends so that we have enough resources to help more (in fact, all!) needy students of SVNIT. This help is provided to students as a loan without interest, with moral obligation and a binding letter to refund the same. The sole purpose of getting the fund back from the beneficiary is to reuse the same for the benefit of more & more needy students in future and by this way the fund gets regenerated.

Financial support under this policy shall be provided for:

- a. Attending seminars & workshops ( A non-refundable aid)
- b. College Fees & Hostel Fees (Refundable as per Policy)
- c. Trip to abroad for Presentation (A non-refundable aid)

Our alumni are operating 23 chapters in different parts of India and abroad. Activities of most of these chapters are limited to gatherings and reunions. Many of them are not officially registered with the SVNIT Alumni Association as per the guidelines approved by Board of Governance and as per the NIT Act and MHRD (Ministry of Human resources Development) guidelines. A chapter policy has been prepared by the managing committee of the association for revival, strengthening, and active participation of all the chapters to fulfill aims and objectives of Memorandum Of Association of SVNIT AA. Surat Chapter is the 1<sup>st</sup> Register Chapter of our Alumni Association.

We also have a Medal Policy now in place which was discussed and finalized by the Managing Committee. We request all the alumni friends to join hands with our Alumni Association for donating Gold, Silver and Bronze Medals – under the banner and umbrella of SVNIT AA to encourage and appreciate academic talent of our alma mater. Medals can be donated in the name of an individual, by a pass-out batch, or through a firm as well. The association would welcome a medal donation in any form. The medal policy is being forwarded to BOG for its endorsement and approval through Dean, Alumni Affairs.

A process is initiated for the registration of SVNIT AA, under companies act and shall be completed in the due course. All the alternatives and means available for registration as a society or a trust were explored and, registration under companies act was found to be more suitable. By our managing committee for fulfilling Association's Aims and Objectives and also to realize our collective dream of giving a shine to our alma mater – SVRCET/SVNIT at national and international level.

We are happy to declare that all expenses related to entertainment, convention, travelling are born through donations, sponsorship or personal contribution surplus of Rs. 2.00 lac net of convention 2015 expenses was transferred to Alumni Fund.

no fund or its interest is being utilized by us for all our alumni association activities of gathering, entertainment, or traveling. In fact, an amount of Rs Two lac was added to corpus which was generated by donations and advertisements during the alumni convention.

#### Events of the Year :-

1. Reunion lecture series 8th February 2015– at SVNIT Campus - Production Seminar Organized SVNIT AA. Er. Harshbhai Thakkar, Er. Nilkantan & Er. Shaileshbhai Lakdawala has interacted with our students.
2. Transformation of Waste Technology Lecture – 18<sup>th</sup> February 2015 – at SVNIT Production Seminar Hall–
3. Hyderabad Meet on 18th April 2015 – The President, Hon. Secretary and Er. Rajeev Thomas along with Dean Alumni Dr. Yadav attended the meet.
4. PANNIT Meet on 19<sup>th</sup> April 2015 -
5. Bangalore Meet on 21st April 2015 – The President attended the meet.
6. Pune Meet on 23rd April 2015– The President and the Vice President attended the meet.
7. Delhi Meet on 24th May 2015– The President and the Vice President along with past president attended the meet.
8. Lecture & Seminar on Gas Turbine – on 5th August 2015 at SVNIT Campus for the Mechanical Engineering students of PG.
9. Interactive session on HAL – on 31st Aug. 2015 - at SVNIT Campus for the Mechanical Engineering students of UG & PG Students.
10. Lecture on Renewable energy – on 10th Sept. 2015 - at SVNIT Campus for the Mechanical Engineering students of UG & PG Students.
11. Installation of Surat Chapter on 3rd October 2015, we have a newly MCM of Surat Chapter.
12. “Ramzat” the traditional event of Gujarat was organized with live orchestra at Staff Club House Ground dated 27th October 2015, by Surat Chapter and the expenses were met through contribution by Executive Committee / Chapter Committee Members as well as donations and sponsorship. At this juncture I take the opportunity to express gratitude at personal level and also on behalf of the SVNIT Alumni Association to **Er. Dipakbhai Dudhwala and Er. Somabhai Patel**, alumni amongst us, who have been sponsoring the dinner since many years and this year too.
13. Kolkata Meet on 15th November 2015– Er. Ashok Moitra, Er. T P Mukharjie & Er Hastimall Banthia our Treasurer has attended the meet at Kolkata.
14. “ Ek Period Masti No “ on 31<sup>st</sup> December 2015 – the year ending program organized by SVNIT AA – Surat Chapter at Svnit Guest House Hall – Surat.
15. And how can we forget our annual convention event every year along with the silver jubilee celebration, the year was remarkable as it was golden jubilee year for 1965/66 passed out batch (The 2<sup>nd</sup> batch of SVRCET) and the Silver jubilee year for 1991 passed out. This year too we are celebrating it with fun and sweet remembrance along with our faculty members, past and present professors, administrative staff and of course our friends & family .

Thanks once again and expecting support, active participation, contribution and involvement from our all alumni friends.

## SVNIT Alumni Reunion for 1995 Batch

(25, 26 and 27th December 2015)

The alumni of the 1995 batch met on the 25th and 26th of December 2015 at Daman and on 27th December 2015 at the SVNIT campus and relived the college moments by engaging themselves into visit of their parent departments, lunch at canteen lawns, and college campus tour etc. It was really a trip down the nostalgic lane. Alumni not only from various states of India but also from different countries of the world came to the event.

The families, especially the children were really awed and enthralled to see the expanse of the infrastructure that the campus possessed. The following were the highlights of the three days.

## ALLEN Career Institute

Gone are the days when choosing a career was an easy task. In the present scenario of cut throat competition, deciding which way to traverse, students need a deep introspection of aptitude, skills, and resources along with a fair assessment of opportunities available for them. There is no dearth of avenues for a diligent student, nevertheless right guidance, congenial atmosphere and meticulous training, are indispensable elements for a sure shot success. Such elements call for a comprehensive education system that institutionalizes teaching and ever evolving career counseling expertise. ALLEN Career Institute is such an education system with best of the educators under one roof and having a tremendous pool of shared knowledge; ALLEN has been carving out leaders of tomorrow in numbers. In its 27 glorious years, ALLEN followed spiritual values and promoted scientific temper in preparing the students for competitions and has set numerous standards of academic excellence with students attaining top ranks & best results in competitive examinations like AIPMT, AIIMS, JEE (Advanced) and JEE (Main), NTSE, National & International Olympiads.

ALLEN specializes in training students for all major International, National & State Level competitive Examinations with highly structured divisions which are:

**JEE Division** – Prepare students for Engineering Entrance Examinations like JEE (Main + Advanced), JEE Main, BITSAT, State Pre-Engineering Exams along with National & International Olympiads.

**Pre-medical Division** – Prepare students for National level pre-medical entrance examinations like AIIMS, AIPMT as well as State level PMT's along with National & International Olympiads.

**Pre-Nurture & Career Foundation Division** – Along with their respective school curriculum we prepare the students of classes 6th to 10th for various National, Government & Private Olympiads like NTSE, JSO, NSEP/B/C/A, RMO, NMTC, NSO, IMO, NSTSE, ANCO etc along with national and international events like IRIS (Science Fair), Workshops, Conferences and Seminars.

### **An Enduring Foundation**

When we take a glimpse at the yesteryears, we see Shri. Rajesh Maheshwari (Director) who started teaching 8 students in a small room at his home. With time, the success of those students motivated him and Sh. Rajesh Maheshwari laid the foundation stone of ALLEN Career Institute - named in the memory of his Father Late Shri Laxmi Narayan Maheshwari in 1988.

Small steps soon turned into big strides as ALLEN started flourishing when teaching experts and persons with virtues and noble intent joined the wagon. Shortly, the eminent professor of Biology, Dr. K.G. Vaishanava became part of this endeavor, and thus, was laid, the foundation of a Pre-Medical division.

The year 1991 ALLEN witnessed its first milestone when it achieved 12 selections in RPMT. Soon, the Institute's Academic Director, Shri Brajesh Maheshwari, with his engineering expertise, joined the team. *ALLEN Career Institute was the only institute of that time which offered coaching in all subjects i.e. Physics, Chemistry, Biology & Mathematics, under one roof.* In no time, ALLEN was set on a glorious path of success when it achieved First Rank in Rajasthan Pre-Medical Entrance Examination in 1995, as a result of the combined efforts of the Faculty Members and the administrative acumen of the Director, Shri. Rajesh Maheshwari. ALLEN reached its pinnacle when Directors Shri. Govind Maheshwari, with his rich industrial experience and Shri. Naveen Maheshwari with an engineering background and sharp administration skills, joined the mission.

With its Corporate Office based at Kota, Rajasthan, ALLEN Career Institute has evolved into a large group of more than 3000 self-disciplined and dedicated members as on date under the united leadership and pooled skills of aforementioned four devoted brothers. More than 5,30,000 students trusted ALLEN since its inception in 1988, with 79,000+ classroom students in session 2014-15. The Institute is in parallel with Indian values, spiritualism & hard work and with the pious wishes of mother Shrimati Krishnadevi Maheshwari & blessings of the most revered Jagadguru Ramanujacharya Shri Jhalaria Peethadhishwar Swamiji Shri Ghanshyamacharya Ji Maharaj, ALLEN has successfully extended its activities in cities like Ahmedabad, Bengaluru, Bhubaneswar, Chandigarh, Indore, Jaipur, Mumbai, Rajkot, Ranchi, Surat, Vadodara

ALLEN Career Institute has established itself as a 'Gurukul' where aspiring students are taught Indian values and tactics to succeed simultaneously. Students recite ALLEN Prayer daily in their classrooms and while leaving for the day, they collectively take a pledge to remain strong and determined towards their commitment to succeed. Students are inspired to be good Human Beings and excel in all endeavors of life.

### **Milestones**

#### **7 ranks in Top 50, 14 in Top 100 in JEE (Advanced) 2015:**

Winning is a ritual with Team ALLEN as Students from ALLEN Classroom achieved Top Ranks in Joint Entrance Exam (JEE Advanced) 2015 for admission to the country's top engineering colleges. 7 students from ALLEN Classroom bagged Best Ranks in Top 50 and a total of 14 students have acquired positions in top 100. A total of 2373 students were selected in JEE Advanced 2015. It is worth noting that the growth in selections from ALLEN has skyrocketed; In the year 2013 there were 990 students made it into IIT JEE, in the year 2014 there were 1010 students selected in IITJEE (Advanced) and in the year 2015 the total were more than double from last year i.e. 2373.

### 9 ranks in Top 10, 46 in Top 100 in AIPMT 2015:

In AIPMT 2015 ALLEN's 9 students grabbed position among the top 10 All India Ranks, 27 students secured among top 50 AIR and 46 were in top 100 ranks and again proved the leadership". This year from the institute 12,573 students were been selected and from that 8754 students were from Classroom Coaching Programme.

### AIR 2nd in AIIMS 2015 & 5 ranks in Top 10:

ALLEN's Success Saga Continues in AIIMS 2015. Proving its leadership yet again in the field of Medical Entrance Examinations, students of ALLEN Career Institute made it proud when the classroom coaching student Parth Sharma secured AIR 2nd , Aditya Mishra secured AIR 6th , Mudit Agarwal secured AIR 7th , Aagmjit Singh secured AIR 9th, RishikeshChoudhari secured AIR 10th in the All India top 10 Merit List in MBBS entrance examination of the All India Institute of Medical Sciences (AIIMS), the results of which were announced on 18th June 2015. "Total 465 students were selected from ALLEN Career Institute in AIIMS 2015" said Sh. Brajesh Maheshwari.

A total of 1118 ALLEN students (2006 to 2014) have been selected in AIIMS and 491 students from ALLEN Career Institute secured positions against 672 seats in AIIMS 2014 examination. Earlier also in 2013 & 2014 the top 5 ranks were bagged by ALLEN students.

### Leading in Various National & State Level Results 2015:

ALLEN Career Institute has produced remarkable results at State Level Examinations also in the year 2015. The Results are:

Rank 1	JIPMER 2015I
Rank 2,5,6,7,8,9,10	PU 2015
Rank 1 , 7	UPCPMT 2015
Rank 1	Jharkhand PMT 2015
Rank 1	Bihar PMT 2015
Rank 1, 3, 5, 6	ASSAM (CEE )
Rank 1,2,3,4,7,9,10	CG-PMT
Rank 1	West Bengal (WBJEE)
Rank 2,3,4,7	Punjab (PMET)
Rank 3,7,8	Uttarakhand PMT

### AIR 1 in AIPMT 2014 & 8 students in Top 10-

A total of 10211 students qualified from the institute this year in AIPMT with 8 students in All India Top 10 Merit List. Tejaswin, (classroom student) achieved remarkable success by securing All India Rank 1st and marked the start of a historical year for the Institute. Apart from this, AIR 2, 4, 6, 7,9,10 were secured by ALLEN Students.

### AIR 1 in JEE Advanced 2014-

3 students from ALLEN's classroom contact program achieved positions in India's Top 10 Merit List. ChitraangMurdia bagged All India Rank 1st followed by GovindLahoti who secured the 3rd National Rank and Amey Gupta with 8th National Rank. The institute gave an impressive 1010 selections in JEE Advanced 2014 with 8 students in Top 100.

### National Record in Limca Book as 'India's Largest Educational (Coaching) Institute'

Allen Career Institute Kota has also achieved a milestone of setting up a National Record as 'India's Largest Educational (Coaching) Institute', which has been certified by the Limca Book of Records. The Certificate, issued by Vijaya Ghose, Editor, Limca Book of Records, states "National Record: Allen Career Institute, which is the largest educational (coaching) institute (by student strength) at a single location, enrolled 66,504 students in its Classroom Programme at Kota City, Rajasthan in August 2014."

*ALLEN believes that there is a winner in every student and one has to identify the potential to nurture in the right direction. ALLEN Family strives endlessly to discover this hidden potential of every student and works with heart and soul to enable every student to achieve his/her goal and to make a difference to every single student.*

*With this, ALLEN Career Institute is on its "Path to Success..." by adding more and more episodes of splendid achievements year by year, unprecedented and unheard of.*

The background of the entire page is a detailed architectural drawing, likely a floor plan or structural grid, rendered in a light grey color against a dark grey background. The drawing shows a complex network of lines, including straight lines forming a grid and curved lines representing structural elements or furniture. There are several circular symbols scattered throughout the drawing, possibly representing columns or specific structural nodes. The overall aesthetic is technical and precise.

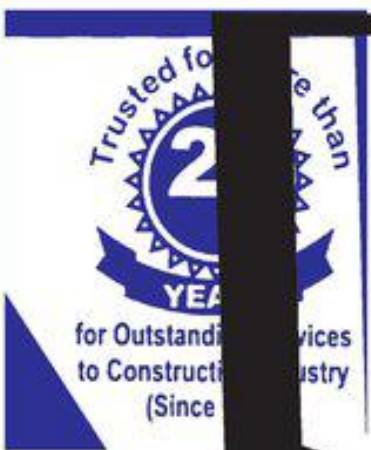

THE BEST ENGINEER A FEW DECADES AGO WAS SOMEONE WHO COULD CREATE THE MOST BEAUTIFUL BEAM OR STRUCTURE; TODAY IT'S TO DO A STRUCTURE YOU CANNOT SEE OR UNDERSTAND HOW IT'S DONE. IT DISAPPEARS AND YOU CANNOT TALK ONLY ABOUT COLOR, SYMBOL, AND LIGHT.  
**IT'S AN AESTHETIC OF MIRACLE.** - JEAN NOUVEL

## GUJARAT CLEANER PRODUCTION CENTRE

Gujarat Cleaner Production Centre- Cleaner Production/ Clean Technology (CP/CT)

Realizing the potential of Cleaner Production (CP) in the state of Gujarat, GCPC was established by the Industries Department of the State Government under technical support of United Nations International Development Organization (UNIDO). GCPC also acts as an ENVIS centre for Ministry of Environment, Forests and Climate Change (MoEFCC) under "Chemical wastes and Toxicology". GCPC imparts Knowledge as well as expertise to tackle with various environmental issues to different industries. It promotes CP/CT through various services like Orientation Programmes, Assessment Project, Training Programmes and Dissemination Programmes.

### OUR SERVICES

- CP Orientation & Awareness Programme.
- CP Training Programme
- CP Demonstration Project
- Climate Change Adaptation
- GIS Mapping
- CP Promotional Activity
- Rain Water Harvesting
- Guidelines on CP for different Industrial Sectors.

## Narmada Clean Tech (NCT)

Surti Bhagor, Near Gujarat Gas office, Umarwada Road,  
Ankleshwar, Dist : Bharuch CIN No.U00000GJ2000NPL037236

NCT is a subsidiary unit of Gujarat Industrial Development Corporation (GIDC) and have a business of receiving treated effluent from all three industrial estates viz. Ankleshwar, Jhagadia and Panoli, to polish it up to the marine standards. At NCT modern discharge technology has been adopted. Treated effluent is being conveyed deep into the sea with the help of 43.6 km onshore and 9.37 km offshore pipeline deep in to the sea through scientifically designed diffusers where dispersion is instantaneous and dilution is tremendous.

There are 1071 industries are the members and membership is mandatory.

NCT has been empowered by Gujarat Pollution Control Board (GPCB) to monitor the quality and quantity of effluent being discharged by its member industries and the company has adopted strict and strategic monitoring & control policy for pollution control at source.

NCT has set up FETP, in December 2006, with a prime objective to make natural creek, namely Amlakhadi, pollution free where, otherwise, polluted water was being discharged by industries in to the creek.

With the cooperation of all the stakeholders, NCT has realized the pre-set objectives. Pollution level reduced considerably. A new separate pipeline from Jhagadia to Kantiyajal is being laid. Booster Pumping Station (BPS) is established at Kantiyajal, 40 MLD from Ankleshwar Piraman & 35 MLD from Jhagadia in totality 75 MLD shall be boosted by this BPS, deep into the sea with the same offshore pipe and diffuser. Today, creek and Narmada estuarine is free from pollution. Fishery business once again flourished. Sustainable solution for effluent discharge is achieved. Considerable socio-economic growth has been realized.

**NCT is dedicated to environment protection.**

## Odhav Enviro Projects Limited

*Committed to protect the environment*

OEPL, Common Effluent Treatment Plant (CETP) run by industries of Odhav GIDC, provides common infrastructure to protect the environment and acts as a bridge between environmental protection authorities and industries.

### Major Initiatives by OEPL

- v Developing cleaner, safer and innovative wastewater treatment technology for its CETP.*
- v Maintaining and operating treatment facility in a scientific and cost effective way.*
- v Preventing pollution at source by awareness, training on cleaner production, recycling, waste reduction and conservation of natural resources.*

"It is clear that "Prevention is better than cure".

OEPL's approach is to understand limitations of treatment facilities and help the member units in this regard. This is the key to improve environmental quality continually."

The advertisement features a central white silhouette of a person holding a red cup with steam rising from it. To the right, there are three distinct piles of coffee beans: a dark brown pile at the top, a pile of dark beans with a white base in the middle, and a dark brown pile at the bottom. In the top left corner, there is a small red logo for TSKAFI. The background is a solid orange color.
