- (iii) Employees who have been given some technical training at Government / Institute expense, should continue to serve the Institute at least for the bond period and withholding of application in such a case is justifiable. Board may decide the policy in such cases.
- (iv) Where an employee cannot be spared without serious detriment to important work in hand, his application can be withheld.

2. Application for posts advertised by Union Public Service Commission

Institute employees can apply directly to posts advertised by Union Public Service Commission but should keep the Head of the Department and Director informed. Subsequently, he should seek the permission for such appointment, but before appearing for the interview.

- (b) Temporary employee should give an undertaking to resign in the event of his selection and acceptance of the new appointment.

Foreign assignments against open advertisements:

- (a) The employee can apply with prior permission of the Chairperson, Board of Governors to be confirmed by the Board of Governors.
- (b) If the time is short, an advance copy can be sent to the concerned agency with a copy to the Chairperson, Board of Governors for approval through proper channel.
- (c) Such employee shall not be considered as an official nominee of National Institute of Technology concerned.

Posts not Advertised or Circulated.

The application shall not be forwarded.

Registration with Employment Exchange.

- (c) an undertaking that he will after the completion of three years of joining the new post either rejoin to the concerned National Institute of Technology or resign.

(d) when an employee rejoins his parent office, he will not be granted a "no objection certificate" for a period of three years to register his name with the Employment Exchange again.

Employee under Suspension or Charge Sheeted.

Employees whose conduct is under Investigation.
